

TROIAD

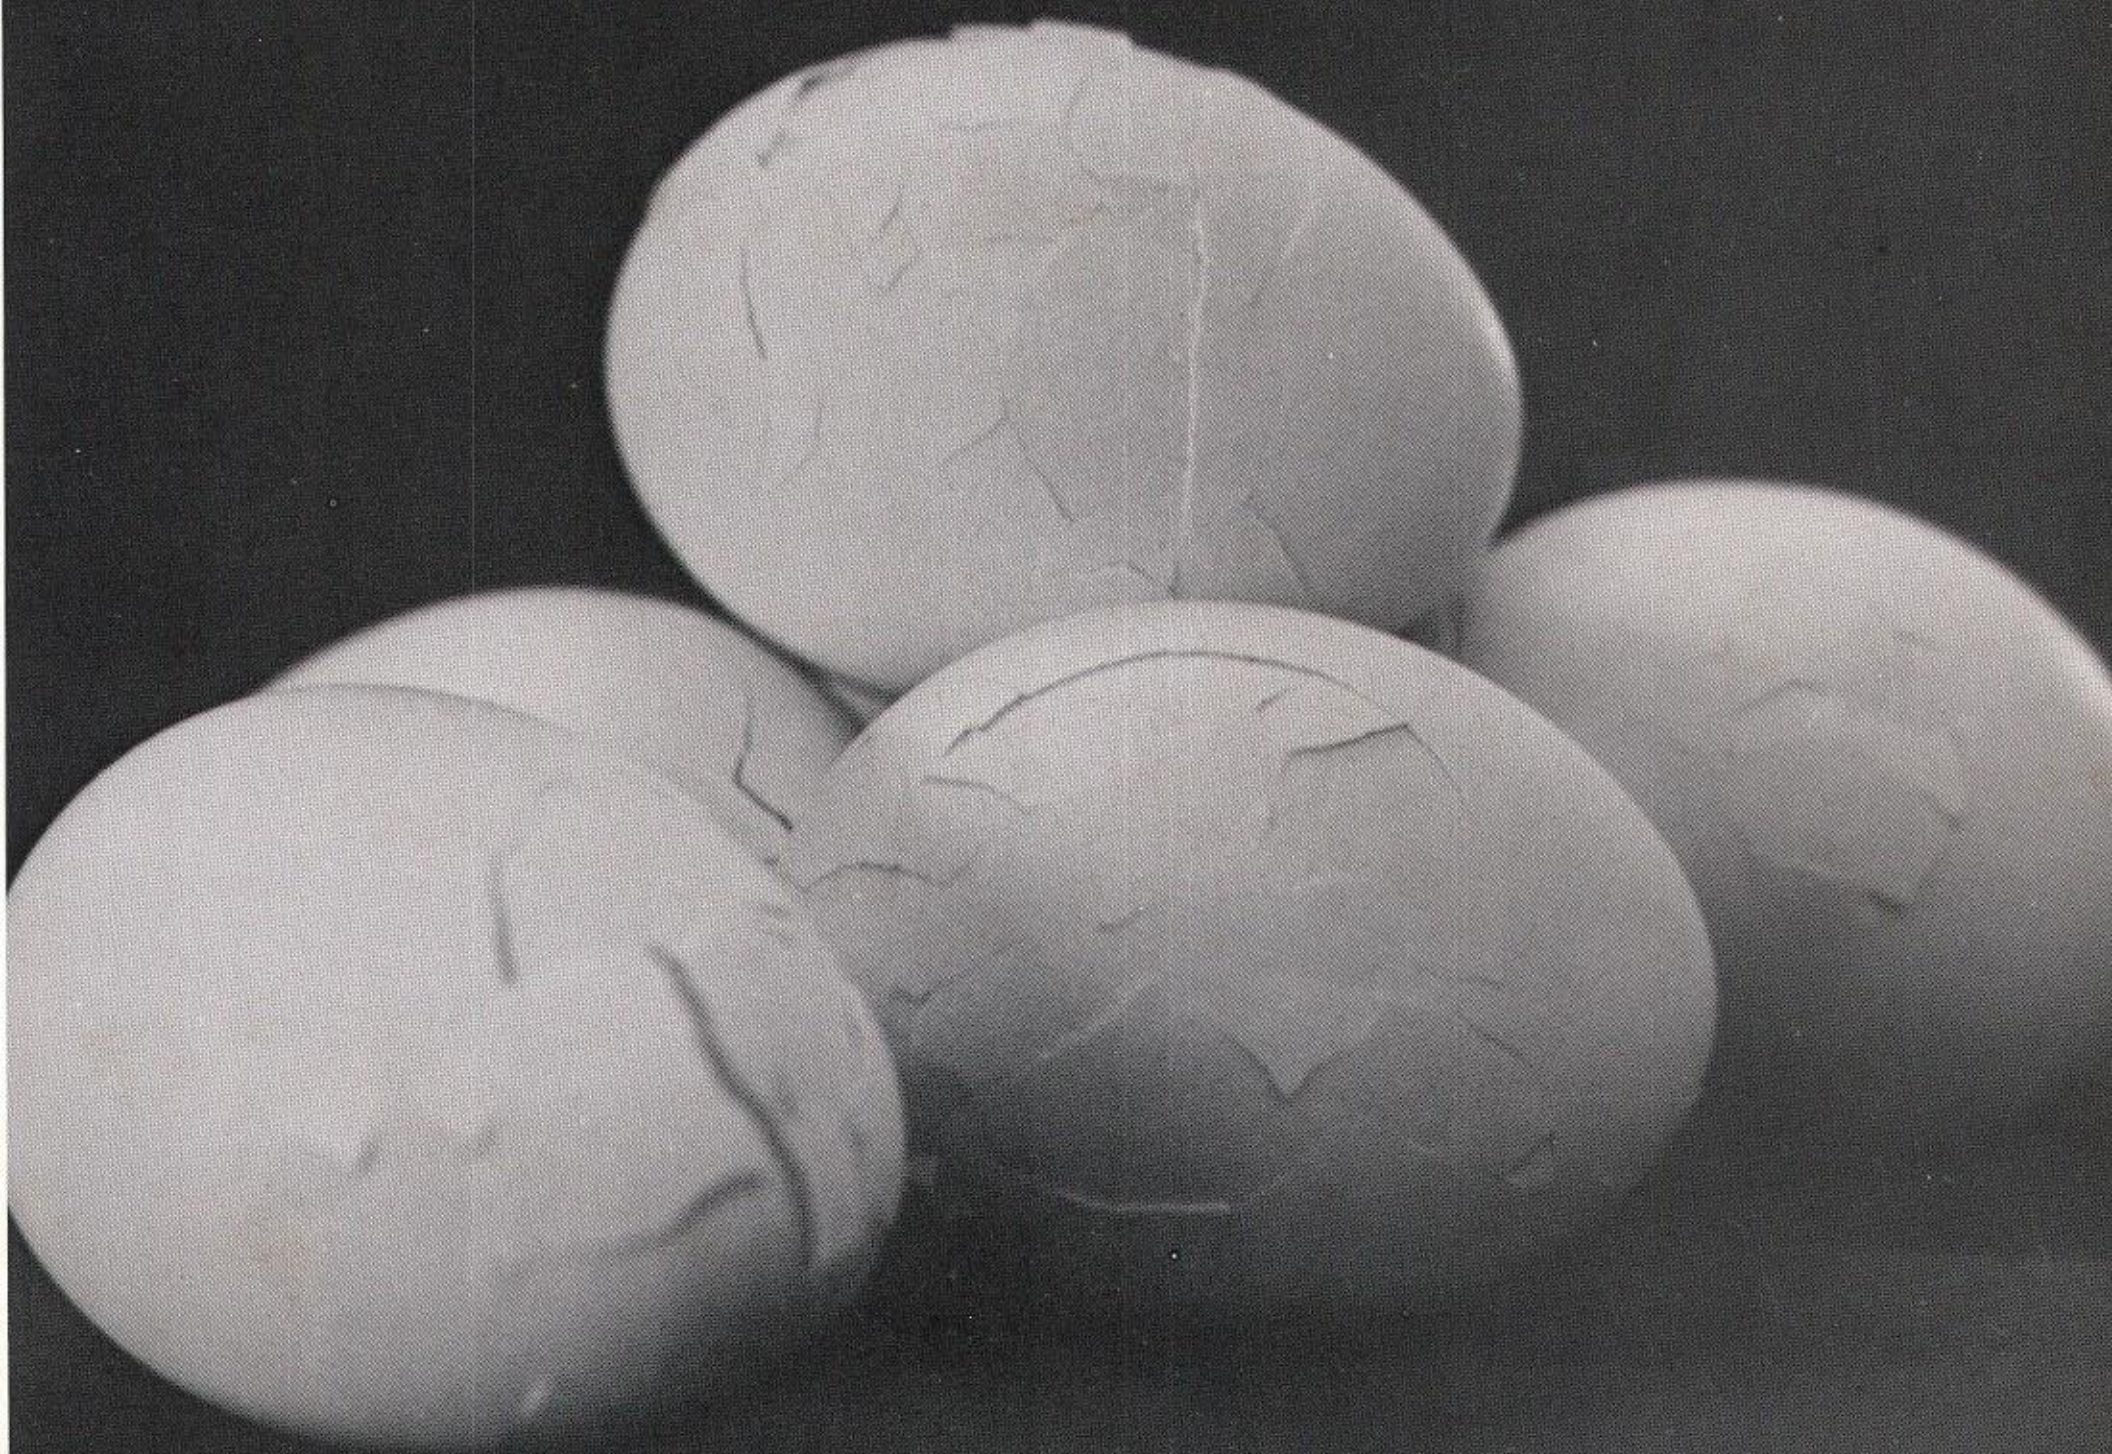

It has a shell both strong and thin
Which serves to shelter all within:
A little world it doth enclose,
A life begins, a being grows.

The little world so safe and warm
Provides the necessary form
To let a new life grow and sprout,
Until at last he must get out.

He stretches and strains to free the bind
A bigger world he needs to find:
He dares at last to crack the shell
And leave the place he knew so well.

Helpful, considerate, creative, versatile — these are but a few of the words that describe a dedicated teacher and warm human being who has devoted 42 years of his life to inspiring thousands of eager young students, to opening their minds to the mysteries of science. Teaching, to this man, is not simply a career; it is a way of life.

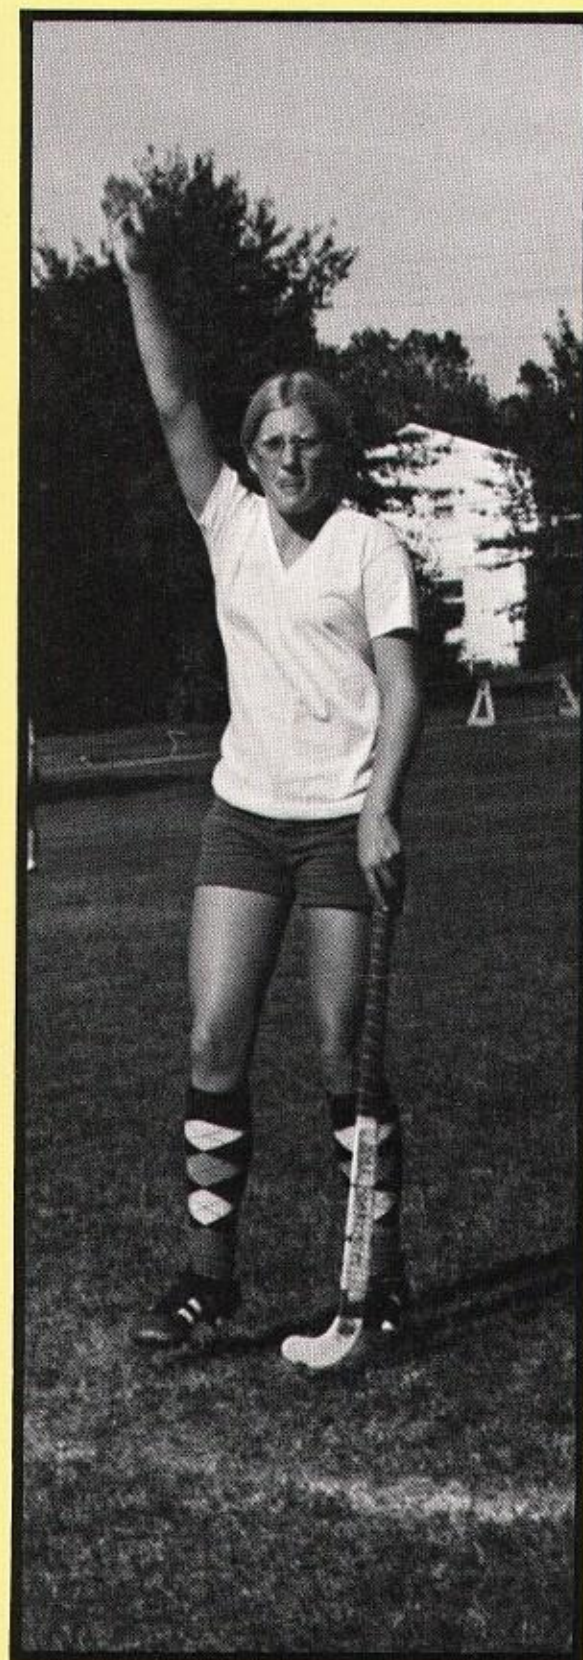

A tennis enthusiast, carpenter, and astronomer, his incessant energy, both physical and mental, never ceases to astound those who know him. Since coming to P.H.S. in 1936, he has coached the tennis team and sponsored various activities, including the radio, camera, photography, and astronomy clubs. From parking cars at football games to conducting experiments in his workshop and operating his ham radio, this man is always willing to sacrifice his time after school for the benefit of his students. Upon retirement he dreams of designing equipment for scientific investigations.

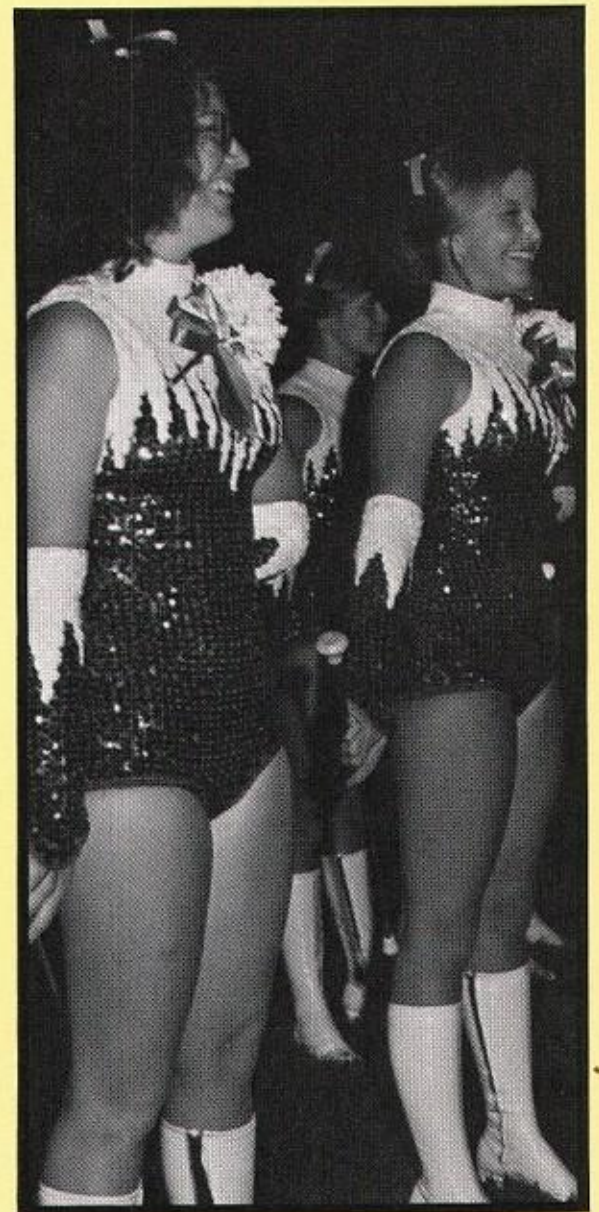

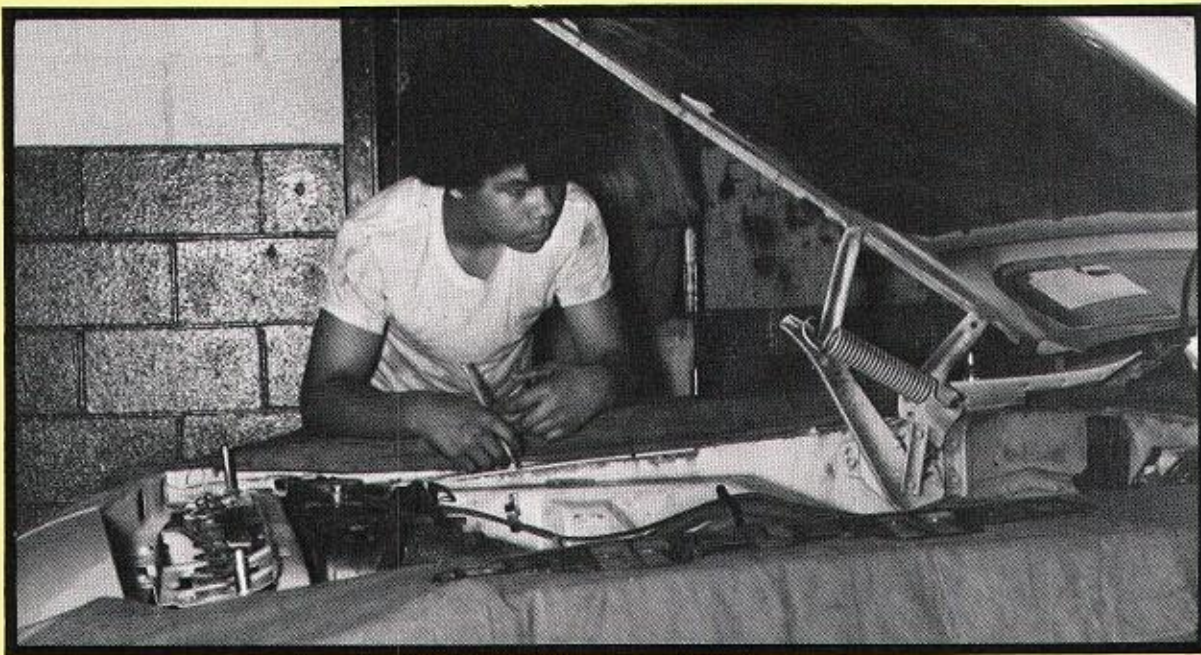

This gentleman is much more than a teacher and scholar — he is a true friend. With him, learning becomes an unforgettable and rewarding experience. With unbounding admiration and affection, we gratefully dedicate the 1974 Troiad to . . .

C.P.'s Eggs-ert Effort To Fulfill Aspirations

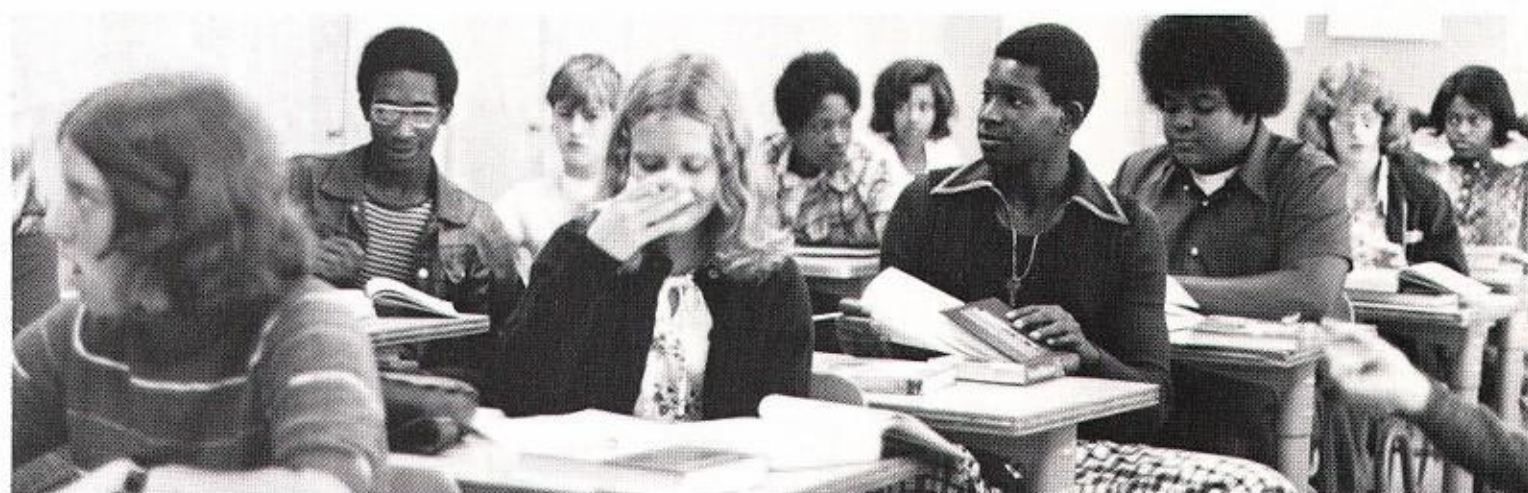

Pottstown High offers a challenging curriculum to the college prep students. Its courses are extensive, offering majors in art and music, which help the student achieve greater sensitivity and perception. In the field of engineering, students may enroll in the college prep technical drawing or electronics courses, designed to help the student acquire a basic background in drafting. The advanced science courses, including biology, physics, and chemistry, give an indepth study in a diversity of subjects. The advanced math courses, such as independent math studies, honors calculus, and the computer courses, give students the opportunity to excel in areas of particular interest. This curriculum enables students to take full advantage of specific fields which they may wish to pursue in the future.

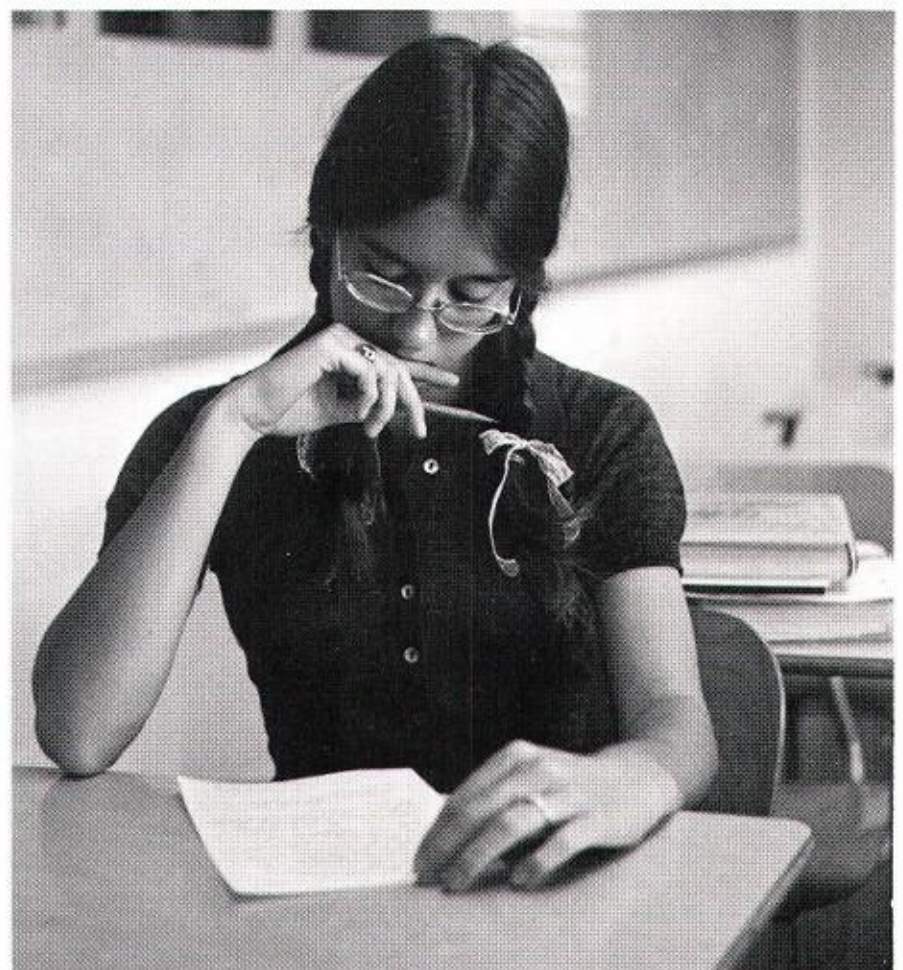

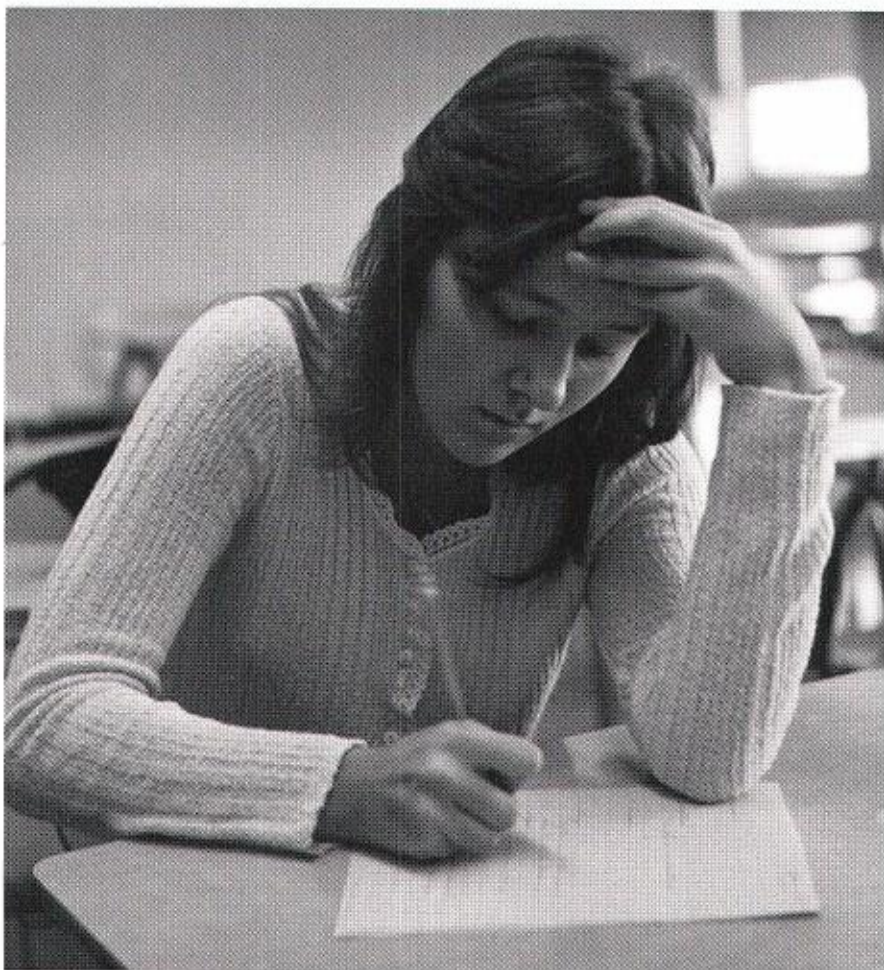

Exacting Teachers Give Students The Business

The business department meets the individual needs of students with varied abilities. The most advanced of the business courses is the secretarial. These girls become proficient in shorthand, typing, record keeping, and use of business machines. The students majoring in bookkeeping are offered three years of accounting. Pottstown is the only school in the area offering the third year of advanced accounting. The data processing course teaches key punch operation and computer programming. Students learn by using the computers and machines in the school district administration building. The clerical course offers the general office skills. For most of the business students, high school will terminate their education; however, the curriculum also qualifies them for acceptance in business schools and some colleges.

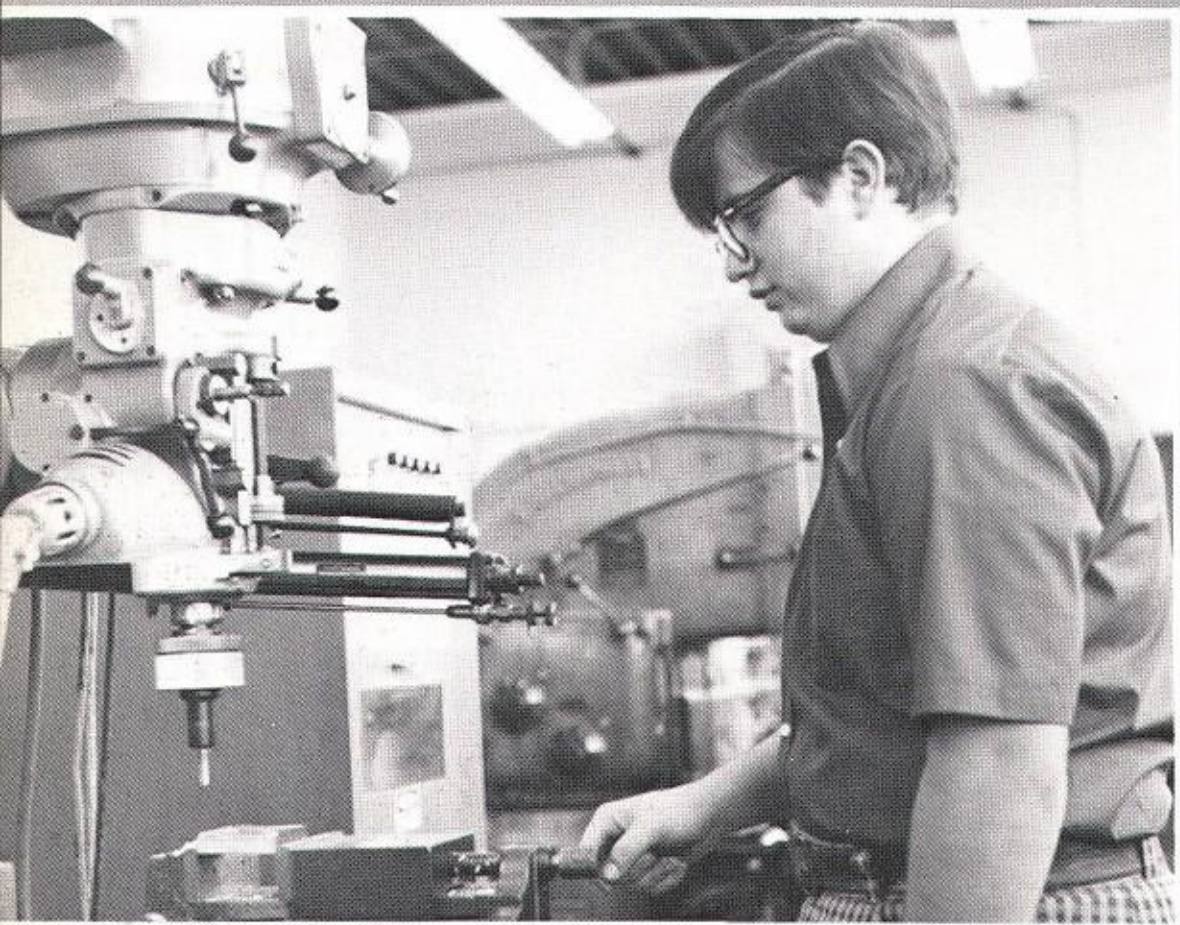

Grant me the light!

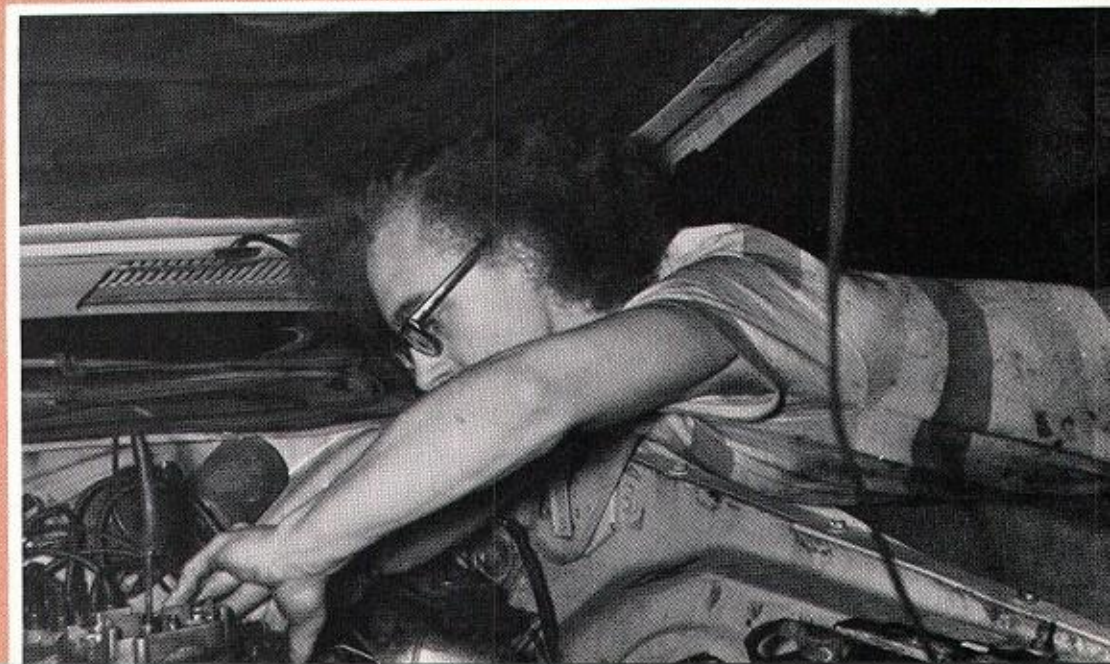

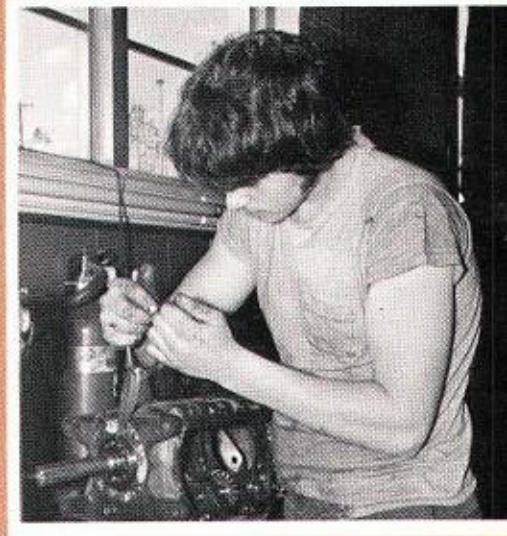

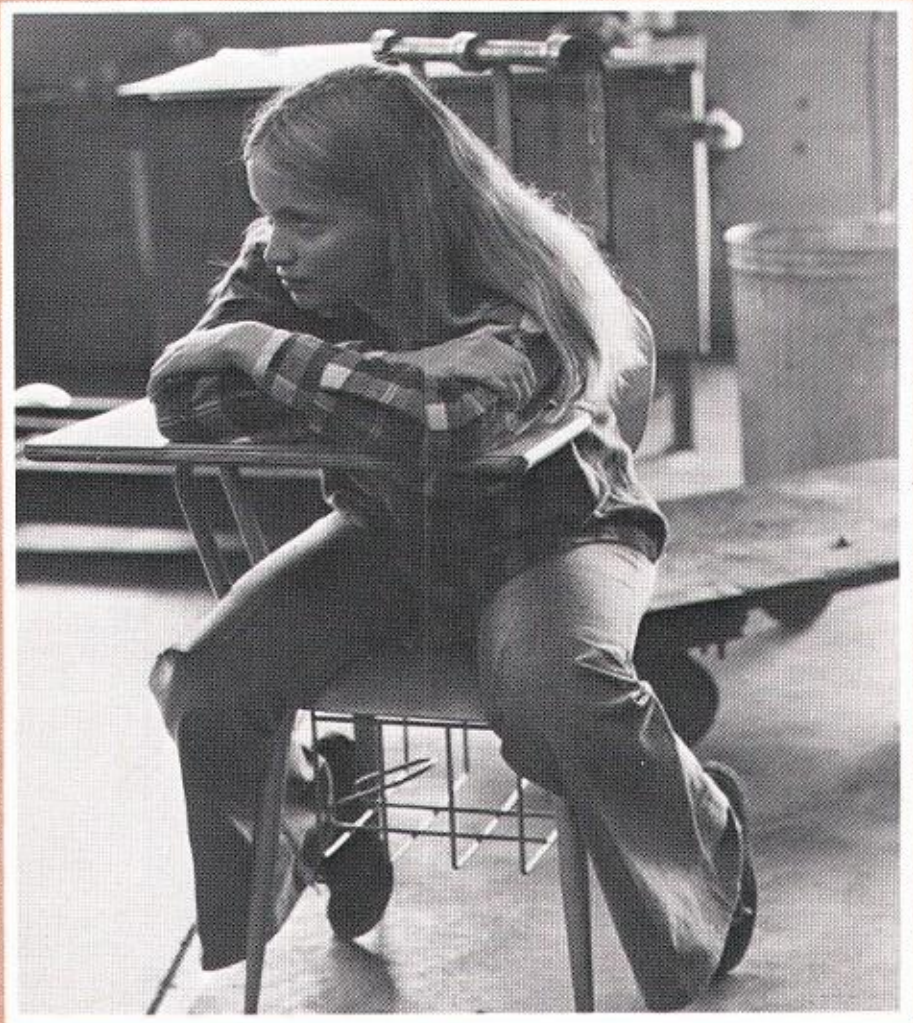

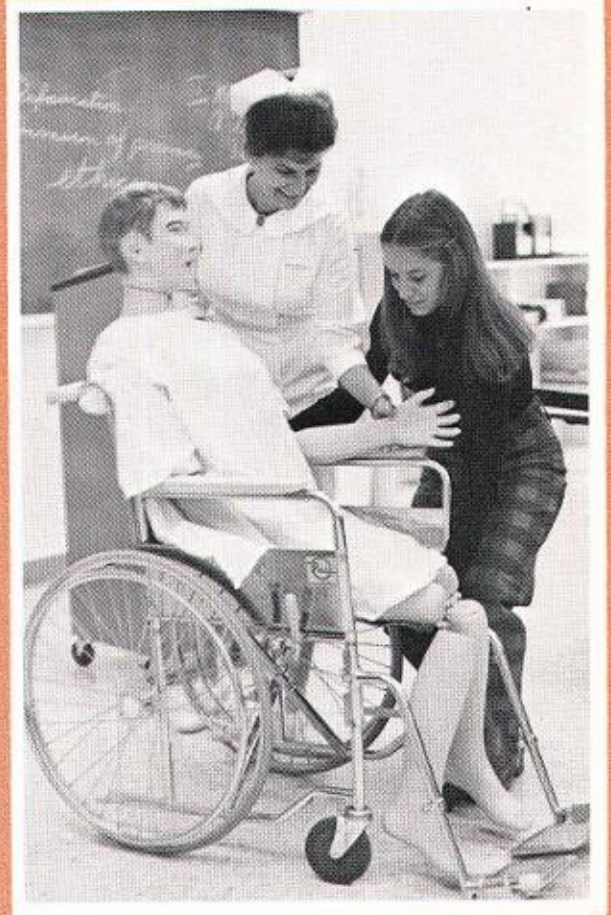

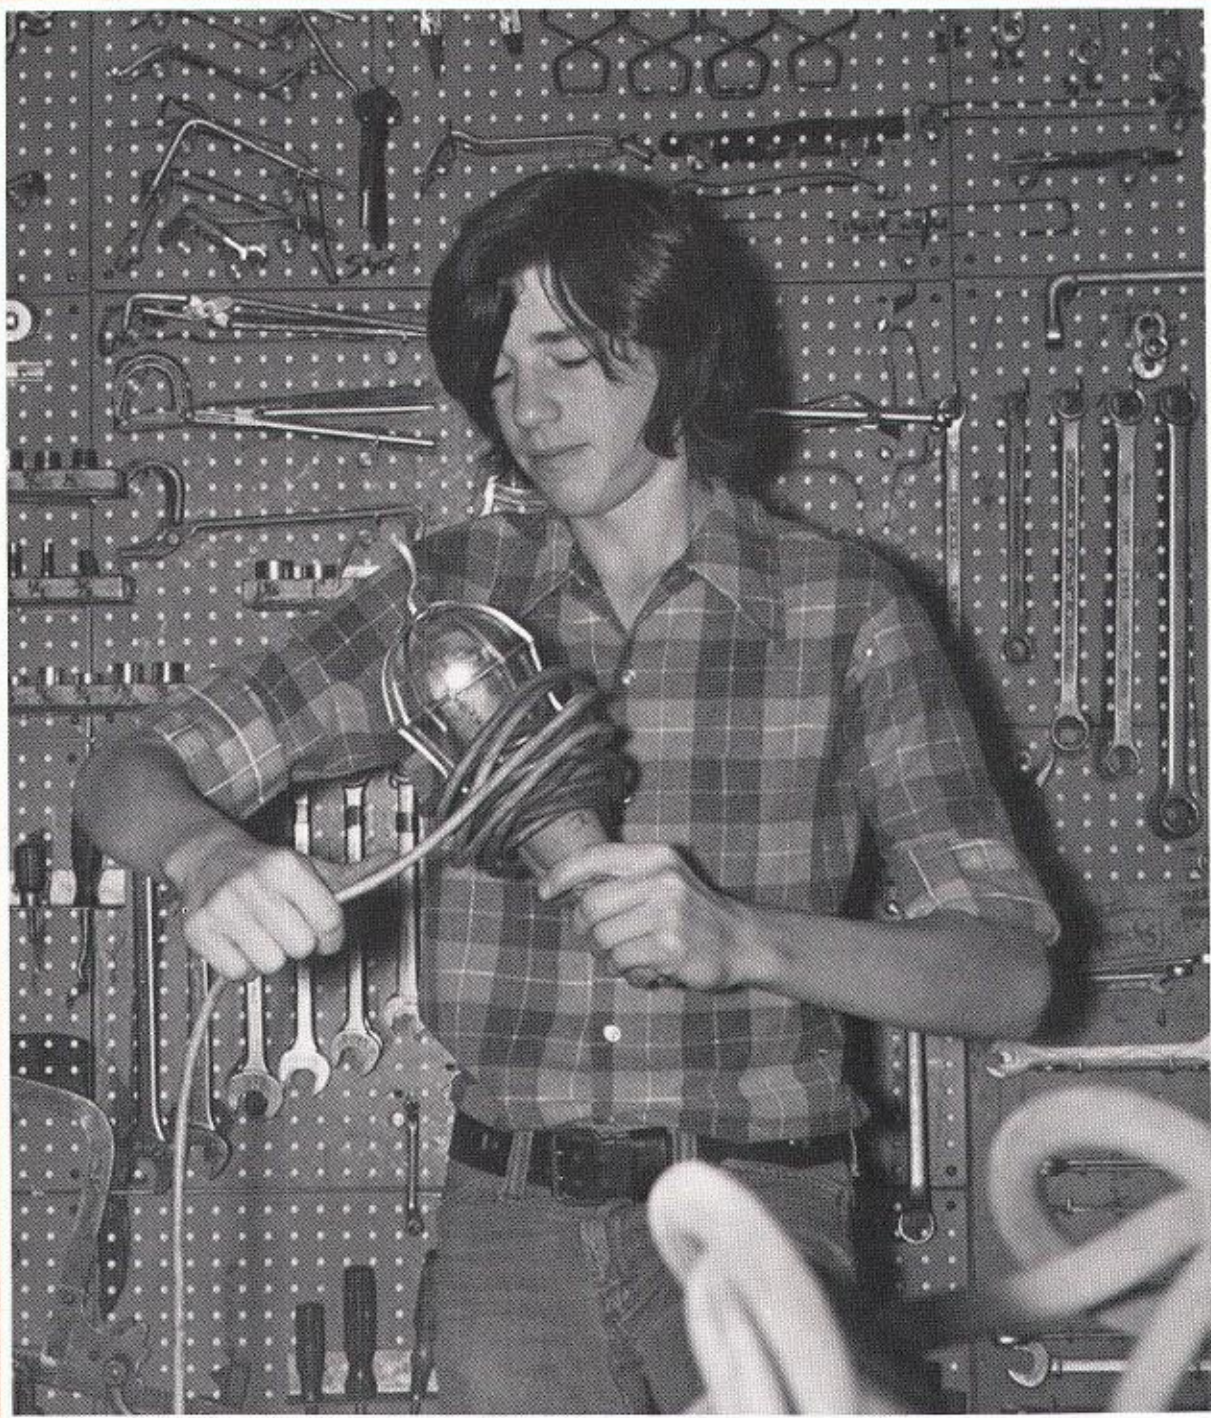

Vocational Students Shop For Their Future

Pottstown High School is the only comprehensive high school in Montgomery County; it is the only high school with both college preparatory and vocational departments under the same roof. The vocational department, under the coordination of Mr. W. O. Smith, is one of the finest in the area. There are three main branches: trade industrial education, home economics, and business education. Seven hundred thirty-one students are presently enrolled in these three courses. The business education department, the largest with 369 students participating, includes clerical practice, bookkeeping, data processing, and secretarial. The home economics department offers both food services and general home economics, while the trade industrial includes six courses — appliance repair, automobile mechanics, wood shop, machine shop, mechanical drafting, and health assistance. There are two technical courses offered as electives to college preparatory students, electronics techniques and technical drafting.

The vocational department has a fine relationship with the community of Pottstown. The pupil services department finds employment for adults and youth who have terminated their education, as well as students who are still attending school. Craft committees formed by people from local industries frequently come to the high school to offer help to the students.

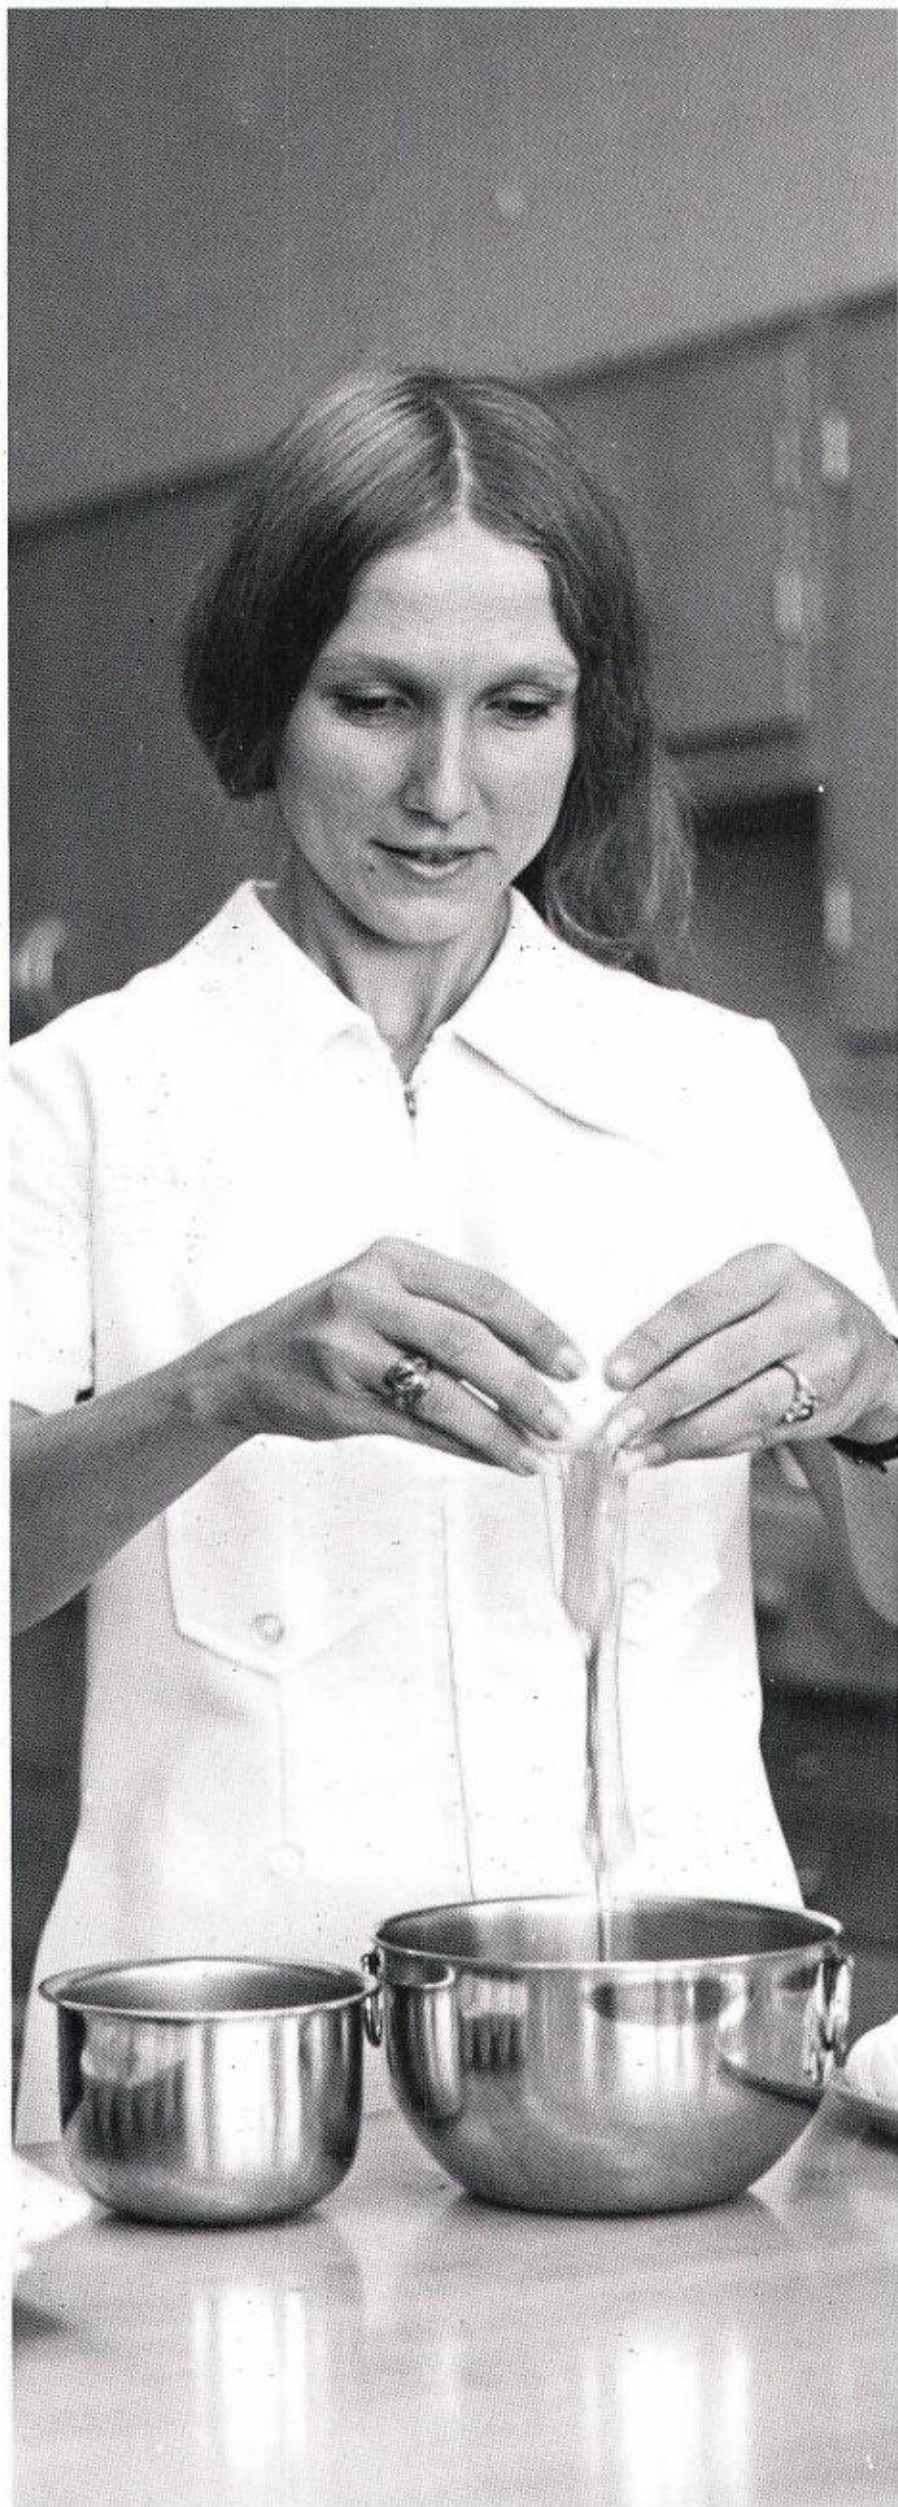

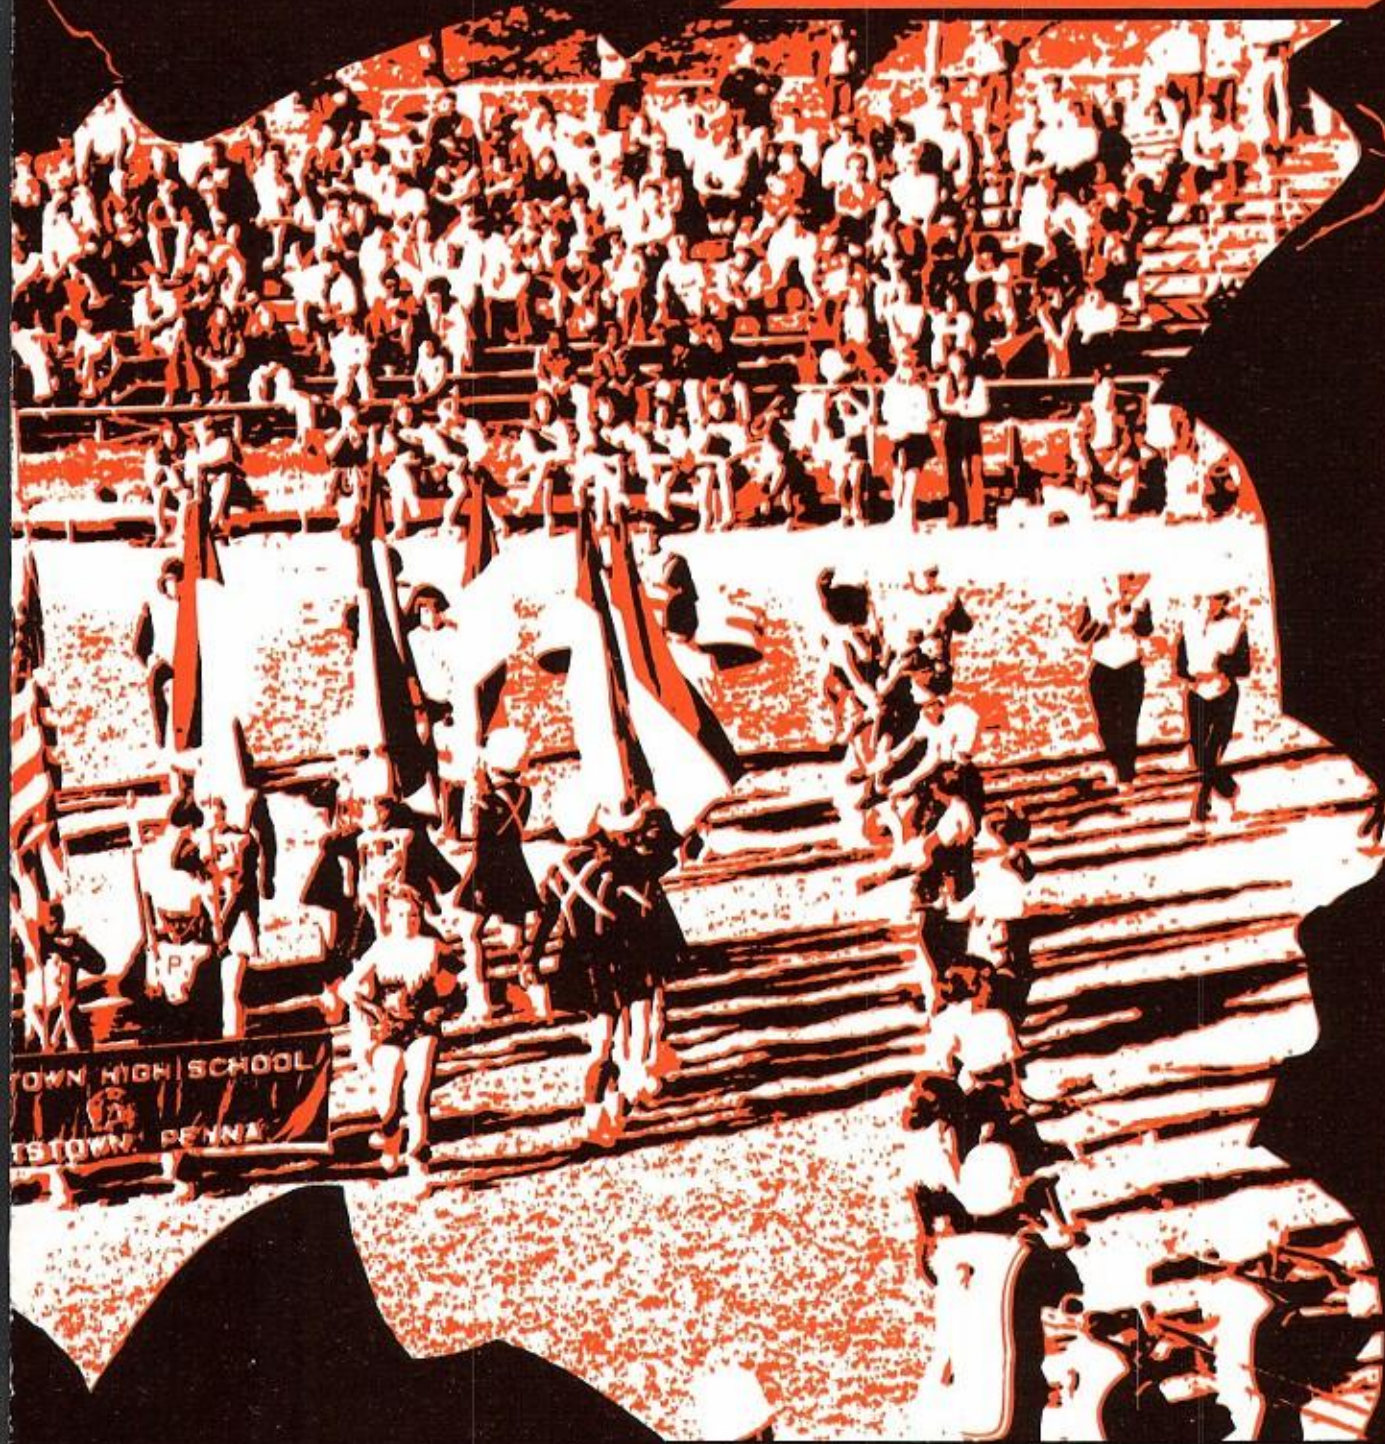

If At First You Don't Succeed, Fry, Fry, Again

The home economics curriculum is designed to instruct girls in the fields of food, clothing, and family care. The general home economic course, which is offered as an elective, enables students to develop various skills in the areas of nursing, consumer economics, interior decorating, married life, and child care. For those girls who desire a more concentrated study in home economics, a major is offered. The goal of the clothing course is to experience the girls in tailoring. Quantity preparation of food, purchasing problems, and the techniques and terminology of equipment are the basic concepts embodied in the food service program, which is a terminal education for vocational students. These courses are necessary ingredients in the making of future homemakers.

OPERATION

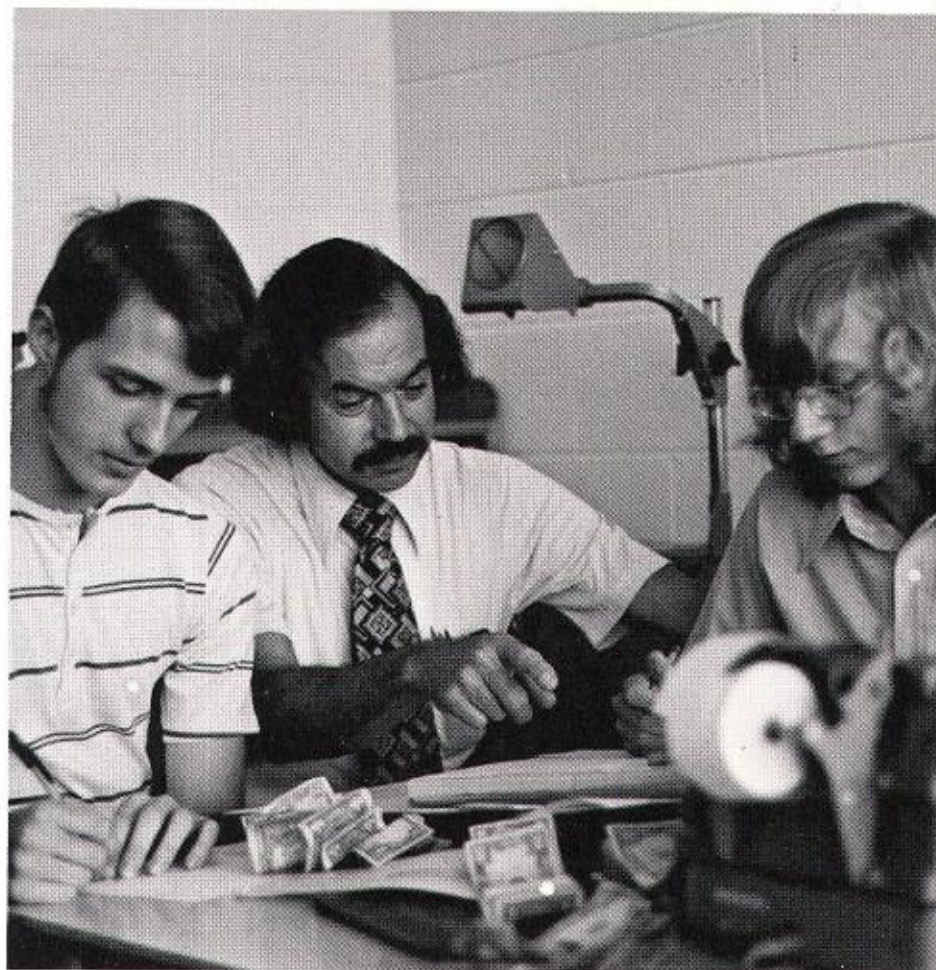

You Can Always Bank On The Students To Be Late

In the school bank Mr. Bertram Scanlin, Robert Rosenberry, and Tom Reider account for all of the money raised and expended by the three classes and by all school organizations. The students learn the intricacies of banking and the school receives accurate service

Under the supervision of Mrs. Judith Leveille, the attendance workers perform the daily tasks of keeping the attendance records and tardy forms for all the students. They maintain permanent record cards and lists of all excused and unexcused absences.

Activities Range From Books To Sports Outlooks

Under the direction of Mrs. Mary Ann Markley 17 library aides assist in the activities of the library each period of the day. These activities range from covering and repairing books to distributing study hall passes. The hardworking aides learn much about library paraphernalia and routines, and they learn to maintain a positive attitude at all times. The activity offers interest and excellent experience for students who may enter the field of library science.

A group of 33 girls sponsored by Mrs. Jenis Pennypacker and Miss Gene Whistler evolved into an organization known as the Girls' Leader Corps. President Vicki Geyer and Vice-President Gloria Sheets led the girls in achieving their goals and completing their projects. The G.L.C. supported sports which do not ordinarily draw large crowds, such as girls' sports. They attended as a cheering section and decorated the hallways. They bought most valuable player awards for the girls' sports and met Girls' Leaders Corps from other schools in volleyball and basketball games and swimming meets. Trips to see sports events and swimming parties added to the fun of belonging to the G.L.C.

A New Year, A New Logo, A Newspaper!

The P.H.S. News began this year with a new logo, twenty-two new staff members, seven returning staff members, and the experienced guidance of Mrs. Joanne Swavely. The relative inexperience of the staff was balanced by their great enthusiasm and wealth of imagination. This year the paper was characterized by its great balance between humorous and serious articles.

Provocative editorials have always been an integral part of the paper, and this year's staff wrote some excellent ones. Spotlights on different personalities within the school and student poetry were regular features. Staff members supplied the paper with a good collection of cartoons. The first issue of the paper was graced with a centerfold of Mr. Charles E. Brown, resplendent in the garb of infancy. The caricature was very well received by both faculty and students.

The editorial advisor Mrs. Joanne Swavely, the business manager Mr. Fred Fischer, the editors, and the staff did their jobs well. The '74 P.H.S. News blended entertainment with insight and comedy with concern. It carried on the tradition of excellence which the P.H.S. News has traditionally maintained.

They Enter Our Society With Academic Honors

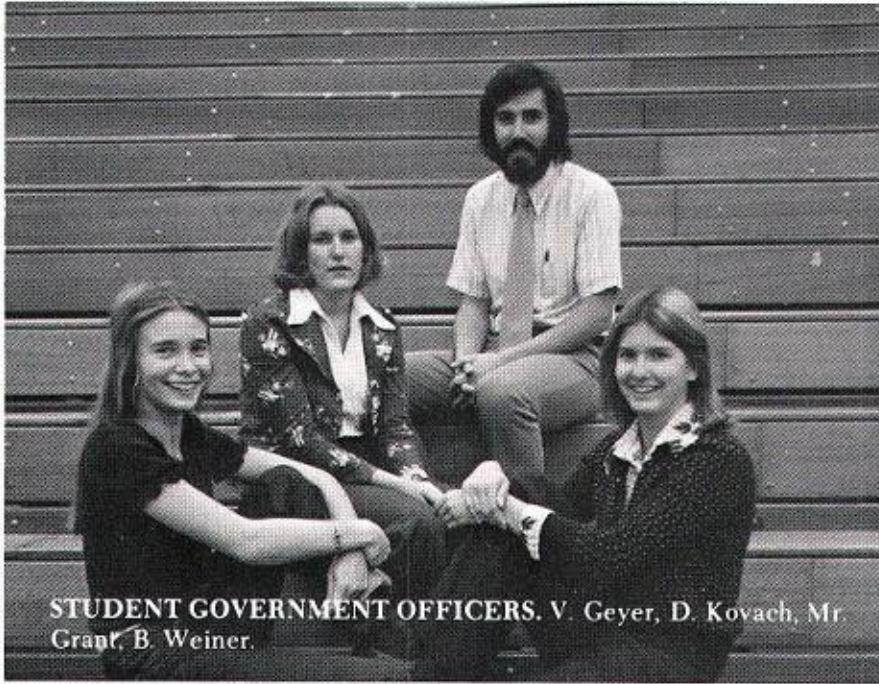

After establishing the 1973-74 membership, the Honor Society, under the direction of Mr. Raymond Tull, began the year sweetly by selling Betsy Ross candy bars. The profits from this project were used to support the two hundred dollar scholarship which was awarded to the most deserving senior member of the Honor Society. Requirements for membership in the Society are attaining and maintaining an academic average of 87 or better and participating in at least one school activity. Ninety-one juniors and seniors have met these requirements for honorary membership.

We Put Our Fondest Memories In An Eggshell

The Troiad staff of seven seniors, nine juniors, and five sophomores set out to produce another successful yearbook. Inexperienced staff members were challenged to prove their ability and versatility in handling photographic and editorial material. With the guidance of chief editors Lynn Barna, John Micklos, and Mike Pachik, they found their task to be just as difficult as they thought it was going to be . . . but it was also fun and self-satisfying. Photographers Philip Haines, Mike Leh, and Mel Levonuk spent many hours snapping pictures and compiling them. The staff drew layouts and coordinated the various sections of the book.

The business staff, advised by Mr. Robert Kovach, solicited business patrons during the hot days of August. After the opening of school, business managers Carmella Palladino

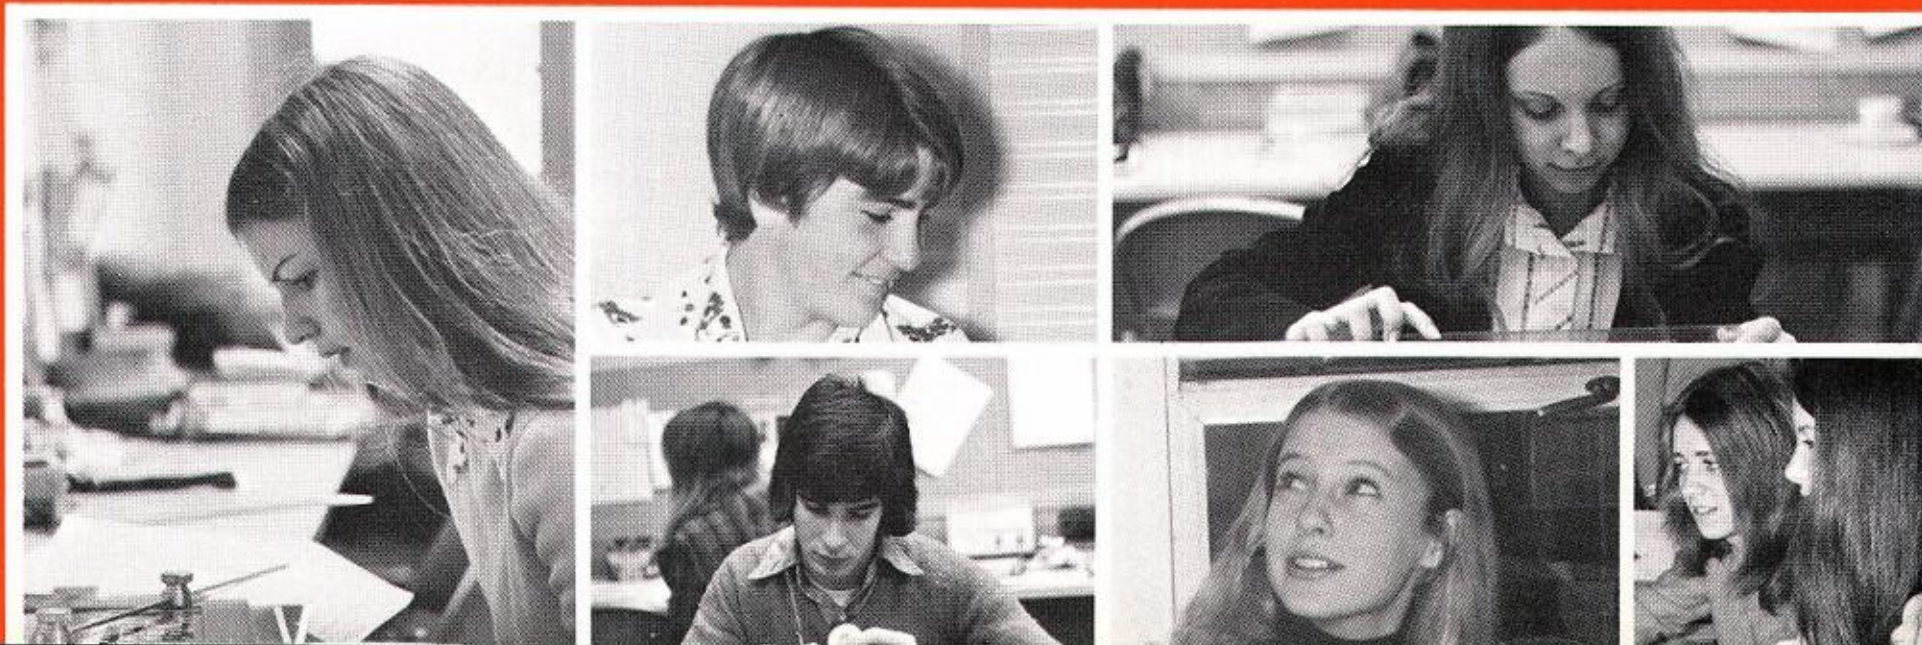

and Tim Sikora and their staff ran the student sales campaign for the '74 Troiad. A record-breaking 84% of the student body purchased yearbooks. Parent and student patrons were solicited during the winter months.

Meanwhile . . . back in the Troiad room . . . Mrs. Huddy prodded helpfully, Micklos and Pachik sang "Southern California," Scott Breidenbach and Denise Howard traded insults, while Julie Ellis pestered everybody to get her crackers from the day room. Somehow the deadlines were met and now . . . it is finished.

The staff is proud to present to the faculty and students of Pottstown High School the 1974 Troiad.

Sharing With Others And Caring For Others

The Pennsylvania Youth Education Association is an organization to generate interest in the field of teaching. Under the sponsorship of Mr. Deane Cressman, the group, consisting of 25 members, engaged in two educational activities. A field trip to West Chester State College gave the girls a good opportunity to observe the excellent elementary school system in operation there. The girls also had an opportunity to experience teaching students in two of our elementary schools, Edgewood and Lincoln. A program was set up by the P Y E A with the aid of the Board of Directors whereby each member could choose the grade level in which she was interested and able to teach for several hours of a day. In the future they hope to be able to visit more local elementary schools to teach for an entire day.

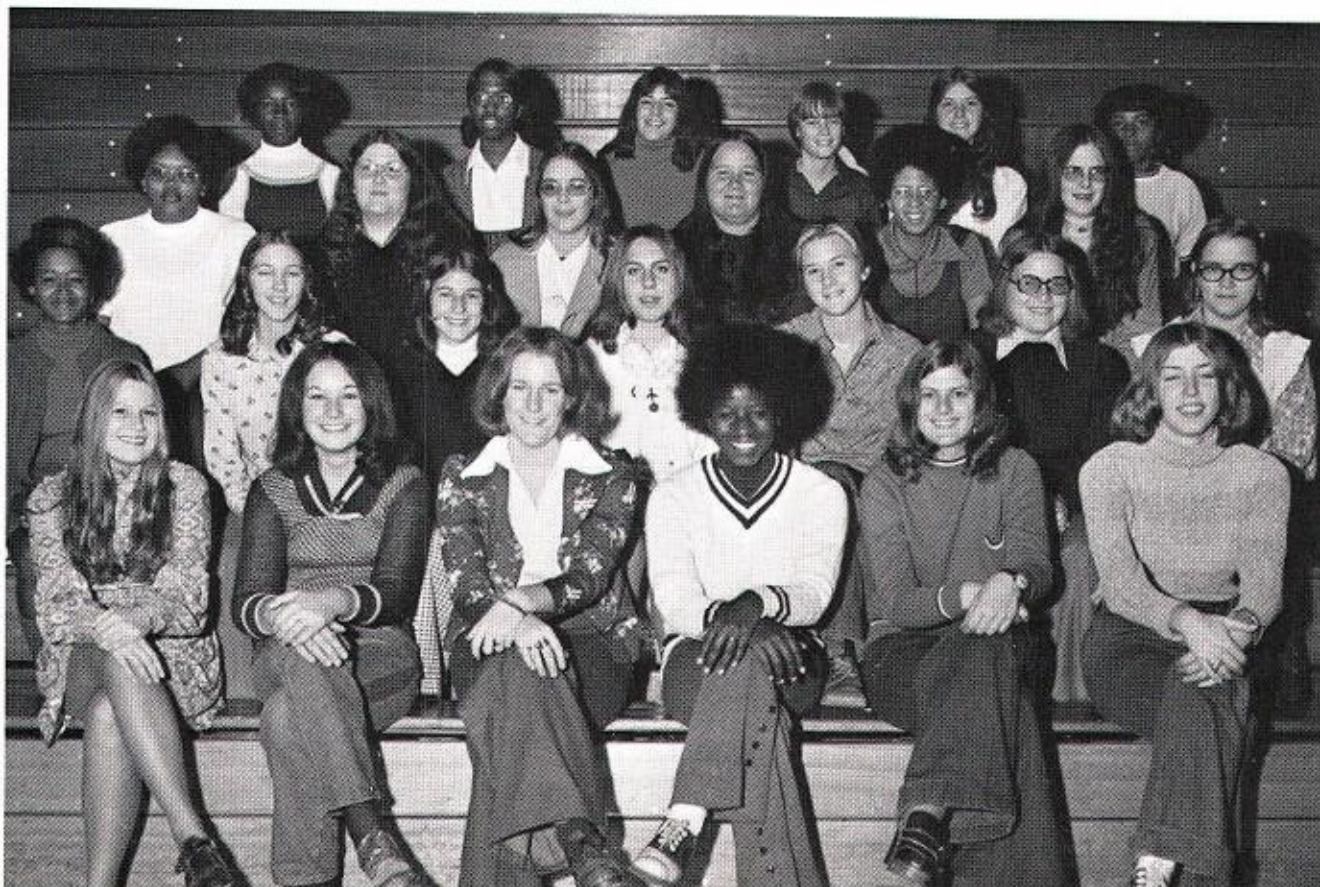

The F N A is an organization whose goal is interesting young women in the fields of nursing, medical technology, doctors' assistants, dental assistants, and practical nursing.

Homecoming Hatches Cute Chicks For Court

Pottstown High School Homecoming festivities were held on September 28, 1973, when the Trojans hosted Pottsgrove in their annual football game. Pottsgrove defeated Pottstown by a score of 20-14, but the Homecoming queen and her court won the hearts of the crowd. Vicki Geyer was crowned by last year's queen Sharon Hess. The other members of the court were seniors Diane Repko and Paula Nealy, juniors Kim Koval and Cynthia Howard, and sophomore Mindy Schultz. The annual event was sponsored by the Key Club.

The Key To Our Club Is Building Maturity

"We build" is the motto of the Key Club, and the 1974 Key Club built school spirit, good community relations, and responsible young men. Under the leadership of president David Pollick and advisors Mr. Arthur Green and Mr. Edward Leshinskie, the group of thirty-five boys undertook many projects. They sponsored a Movie Night, helped the Day Care Center raise money, and sold peanuts for the Kiwanis Club on Kids' Day. They sold fruit cakes, worked in the school cloak room, maintained the main bulletin board, and sponsored the annual Homecoming celebration. Through the Key Club "we build" the values of responsibility and community service.

Ten Little Indians

Bang! You're dead!

Ten Little Indians was the senior class play produced by the Class of '74. Miss Marlene Roth, assisted by Freda Clouser, directed the production. The play was a mystery in three acts which held the audience in suspense until the murderer was discovered. The cast holds many fond memories of their performance, especially the way they closed with a bang!

Lights, Camera, Action Stagecrew Up And Away

The accomplishments of the stage crew range from the construction of new sets for class plays and *Oklahoma* to the development of an improved lighting system. Control of lights, operation of spotlights, production of sound effects, projection of movies, maintenance of stage equipment, and preparation of the stage for assemblies are just a few of the many behind-the-scenes responsibilities assumed by this group. Their fine stage management was the result of the experience accumulated in three years. Experienced stage technicians Bill Lawrence, David Pollick, Randy Lollar, David Burinsky, Douglas Barthlow, and Dan Waters headed the stage crew, supported by a staff of underclassmen.

Chess Game Moves Ahead From King Bobby To Fred

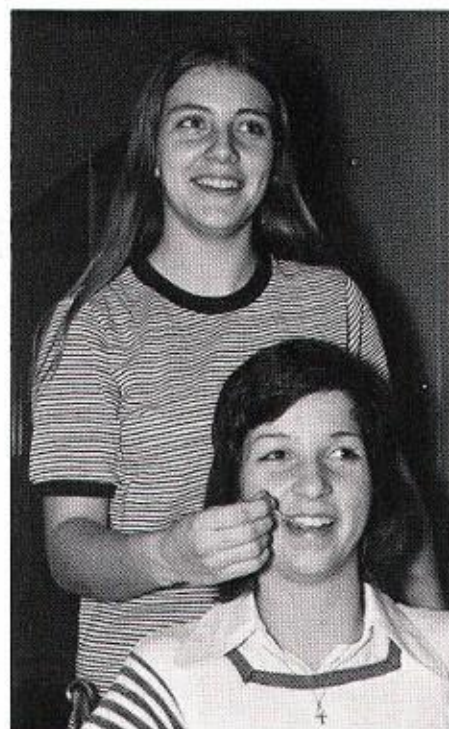

Chess has risen from obscurity to prominence at P.H.S. in one short year. The chess team, organized by Mr. Fred Fischer in 1973, traveled to Philadelphia to compete for the Pennsylvania Chess Championship. They succeeded in gaining eleventh place in the state, a fine showing for a first year team. In November seniors John Micklos and James Little, junior Victor Edwards, and sophomore Roland Morris, accompanied by Mr. Fischer and Mr. Scanlin, entered the National Chess Championship in Chicago, Illinois. The competition went well, but the 26 foot travel trailer in which they were traveling broke down on the way home and the six weary wanderers spent 54 hours in a gas station awaiting repairs. Four days later they arrived home with tales of marathon pinochle games and waterless showers.

Because of the success of the team in tournaments, they were admitted to the Chester County Chess League in which they competed with five other teams. Much of their success may be credited to John Micklos, a two year member who played number one position. Also in the starting line-up were Victor Edwards, John Moser, Randy Lollar, and Roland Morris, a sophomore who showed a great deal of promise.

Ski Clubbers Bend Them Health Aides Mend Them

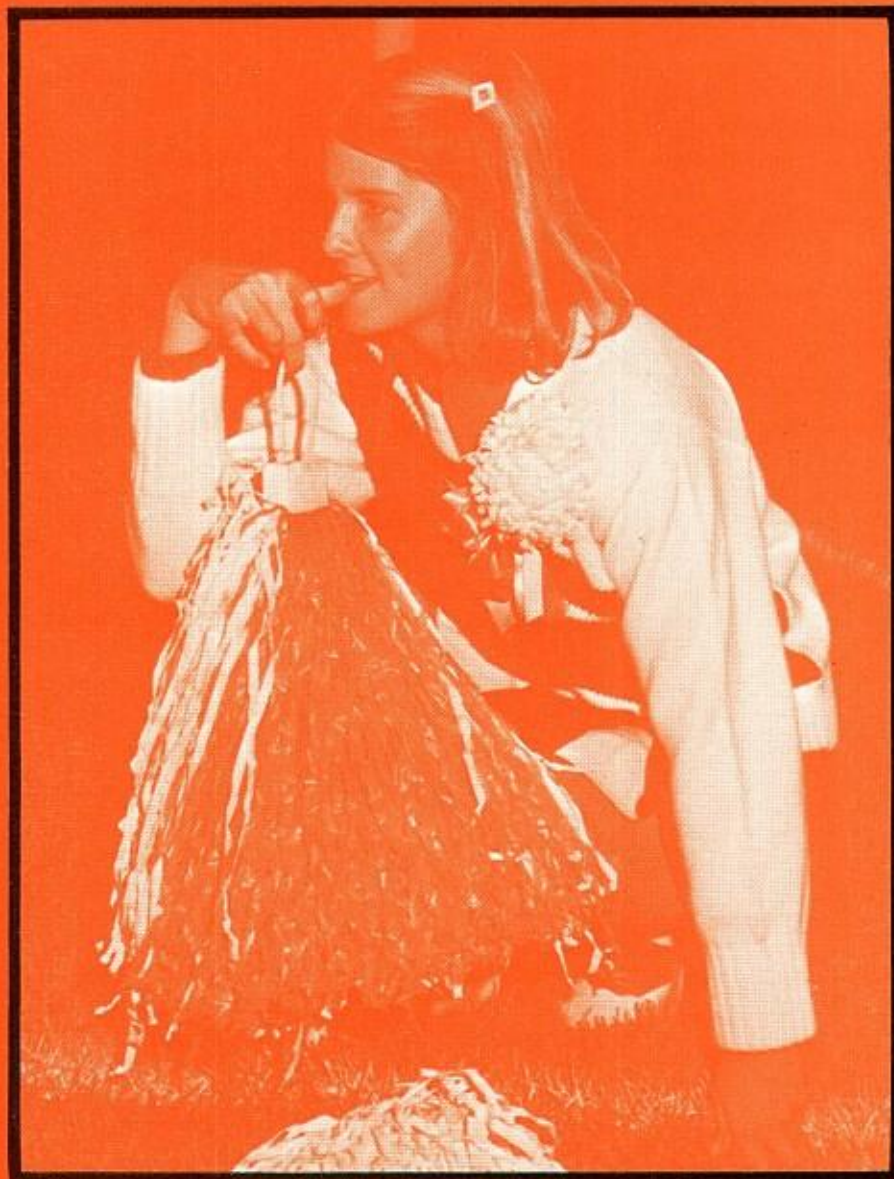

In recent years the ski club has been hindered by a problem: no snow. Local skiing areas were forced to make their own snow when temperatures were sufficiently low. However, many times it was too warm even for that. This year the story was different and winter snows afforded delightful skiing for Ray Donnelly, Alice Clair Iaeger, Roger Roth, Tina Eckroth, Connie Kleinert, and Mr. Novak. Several trips took them to Doe Mountain.

Much to the delight of the members of the ski club and the nurse's health aides, there were no major injuries on the slopes. Had there been injuries, the nurse's aides could have dispensed bandaids and sympathy. The aides are trained to assist Mrs. Grace Steimling, especially in keeping records, filing, and giving ear and eye examinations. They listened to our sad stories sympathetically and tried to alleviate our suffering, and for that we are profoundly grateful.

What's A Cheerleader?

She Is Spirit At PHS

What is a cheerleader? A cheerleader is a girl with pep and vigor who leads her school in promoting enthusiasm and spirit at sport activities. She's always busy — decorating the walls with posters, participating in pep rallies, and "yelling her head off" at games. She works hard all during the week to bring up the guys' spirits and to get the student body "fired up". This year she is advised by Mr. Delewski. Mr. Trojan aids her in cheering, and two battery megaphones help her to cheer louder than ever. She is determined to get the spectators rooting for their team by using short chants and old favorites like **Peter Gunn** and **Cha-Cha-Cha**. What is a cheerleader? She is the spirit of PHS Trojans.

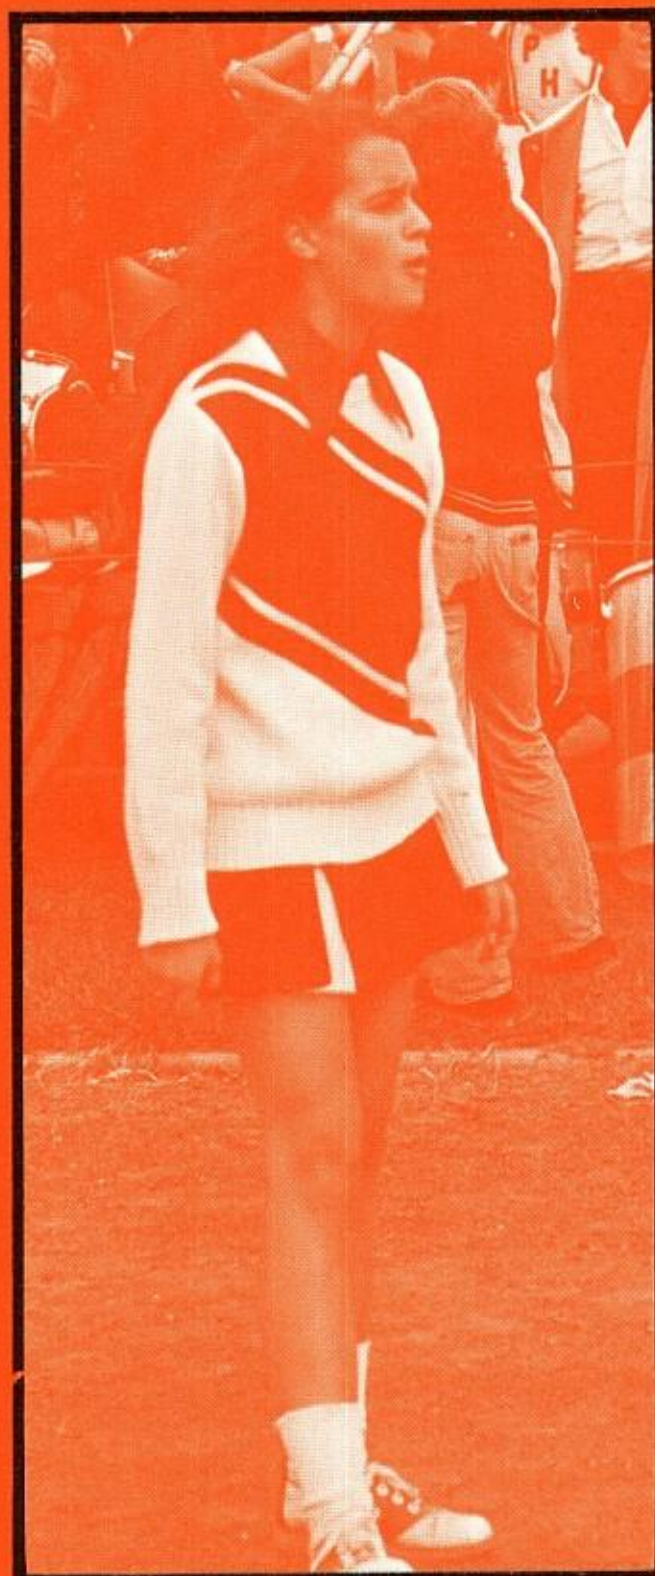

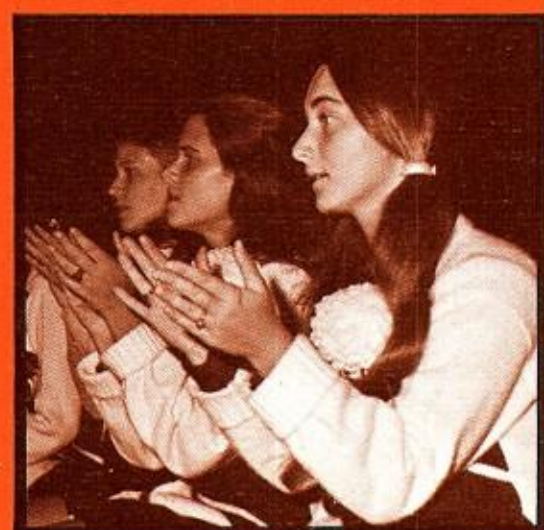

He's one hunk of a guy.

Choir Notes Achievement From Opera To Oklahoma!

Under the fine direction of Mr. Edward O'Neill, the Pottstown High School choir presented performances for both school and civic organizations. The choir performed for many school assemblies, including Veterans' Day, Thanksgiving, Christmas, and Easter. On December 16 they presented their annual Christmas concert which consisted of selections ranging from classical to religious to popular. They also performed a Christmas program for the Golden Age Club at the YWCA. District chorus was hosted by Springfield High School in February. Roslyn Whitehurst and Thomas Bartchak won membership in this group of excellent songsters. February 22 the choir travelled to Philadelphia to enjoy a performance of the Philadelphia Orchestra. The year ended with their melodic spring concert on May 15 and their open-air performance at Commencement.

With the combined efforts and talents of dedicated instructors and students, the Pottstown Senior High Band, under the direction of Mr. William F. Lamb, emerged as a superior marching unit. This was proven when the band, resplendent with the sharp and vivid new uniforms of the twirlers and flag corps, received excellent ratings and outstanding commendations for their performance at the Boyertown Cavalcade. The marching band concluded the season after they performed their halftime show on the hockey field during a crucial girls' hockey game.

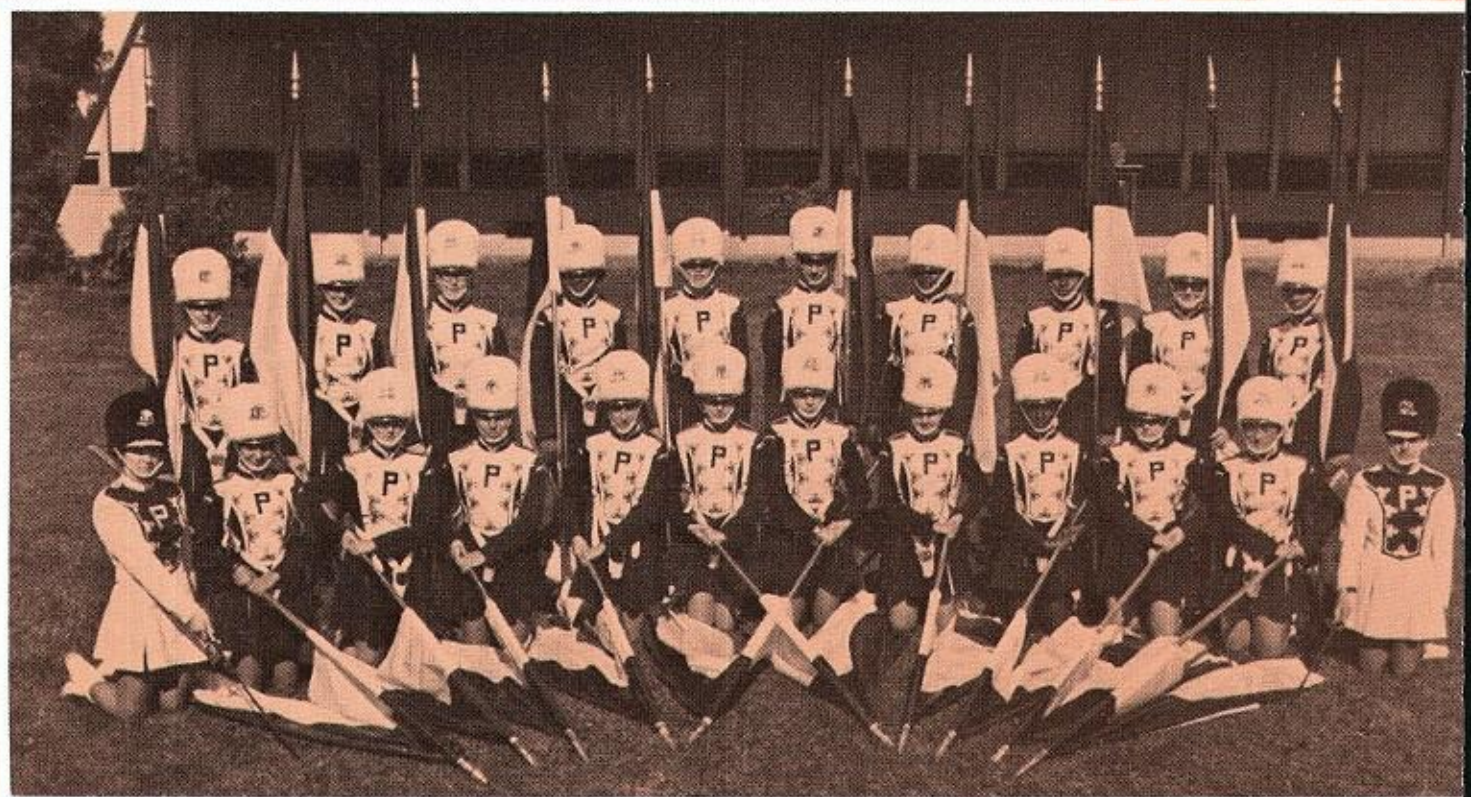

The concert band performed a Christmas concert, a spring concert, and participated in the Pottstown Symphony Orchestra November concert. The band and orchestra, playing in perfect synchronization, brought the performance to a rousing finish. P.H.S. was proud to recognize the outstanding musical talents of seven students who competed for and won seats in District and/or Regional Band.

Wrestlers Scramble To First Place In Ches-Mont

At the beginning of the '73-'74 wrestling season, the team was wracked by twenty-four separate injuries and by several grapplers quitting the team. Two exhibition matches with Harriton and Wilson didn't improve their morale. After their first league loss to Coatesville their chances of bringing the Ches-Mont crown home seemed small indeed.

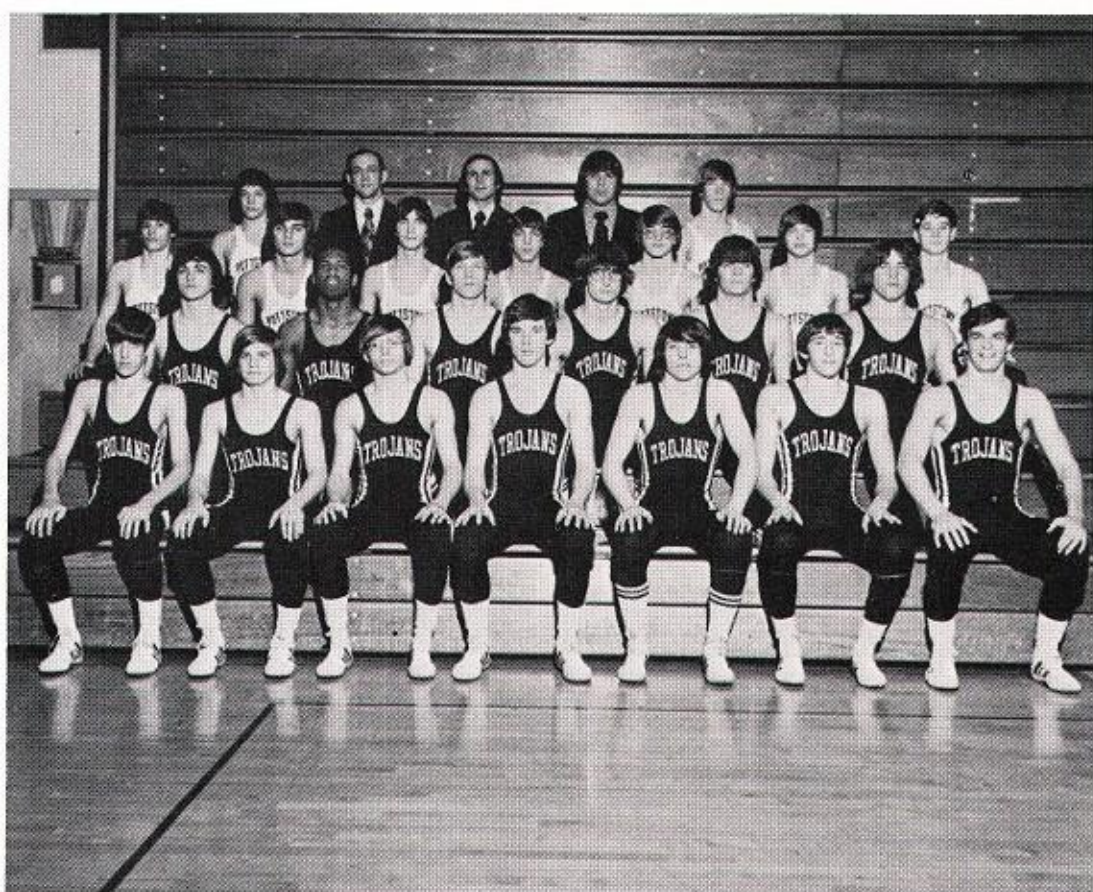

At this point the team and coaches sat down and took stock. The team had too much pride and grit to give up. They had the dean of Ches-Mont wrestling coaches, Mr. Lee Bohner. What happened next was phenomenal. Hard work, dedication, a positive attitude . . . and the Trojans won ten matches and the Ches-Mont championship. The season was highlighted by the duel with SpringFord and the Owen J. match, which was decided by the heavyweights. But the most dra-

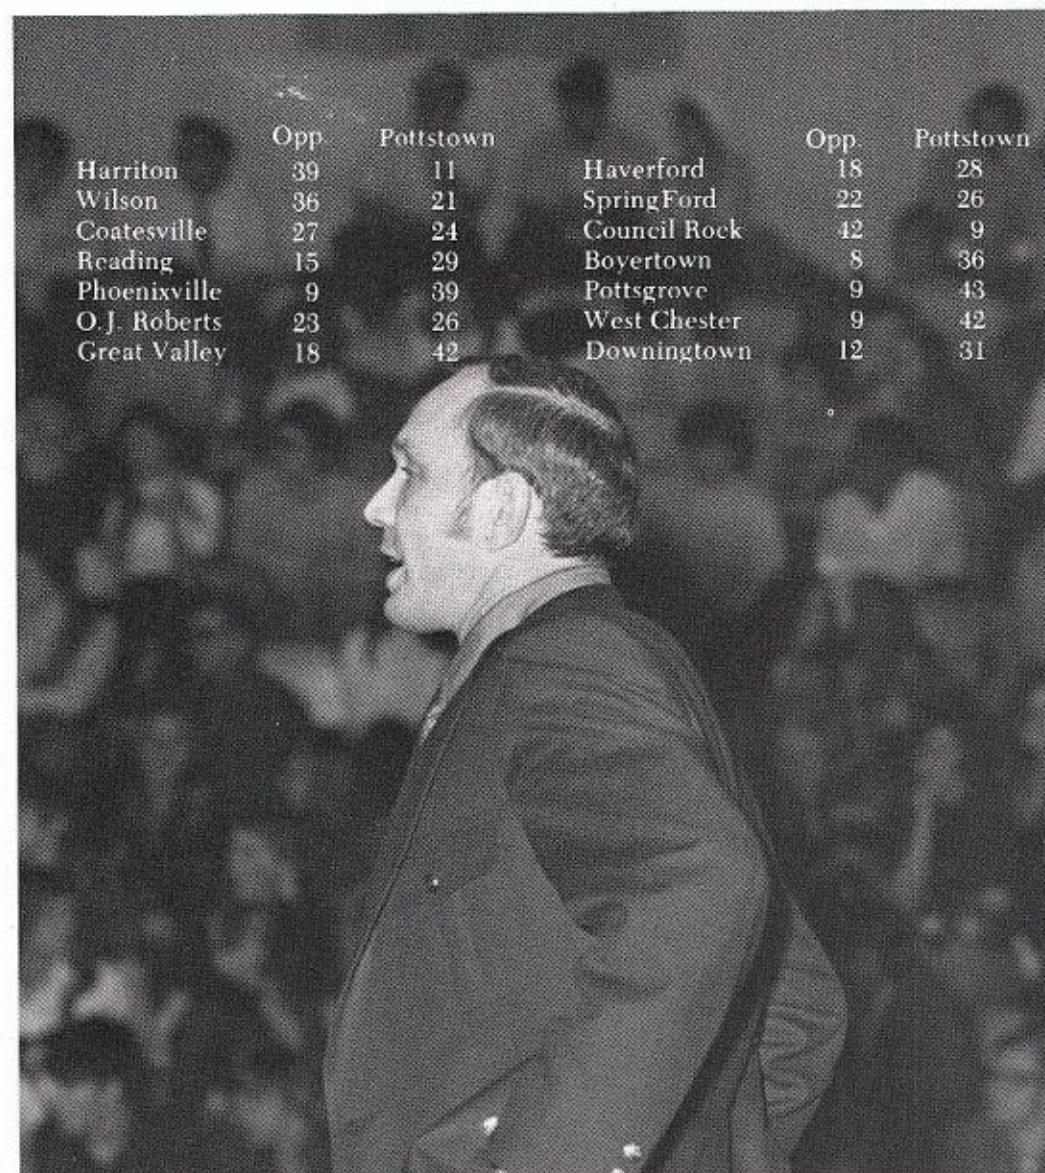

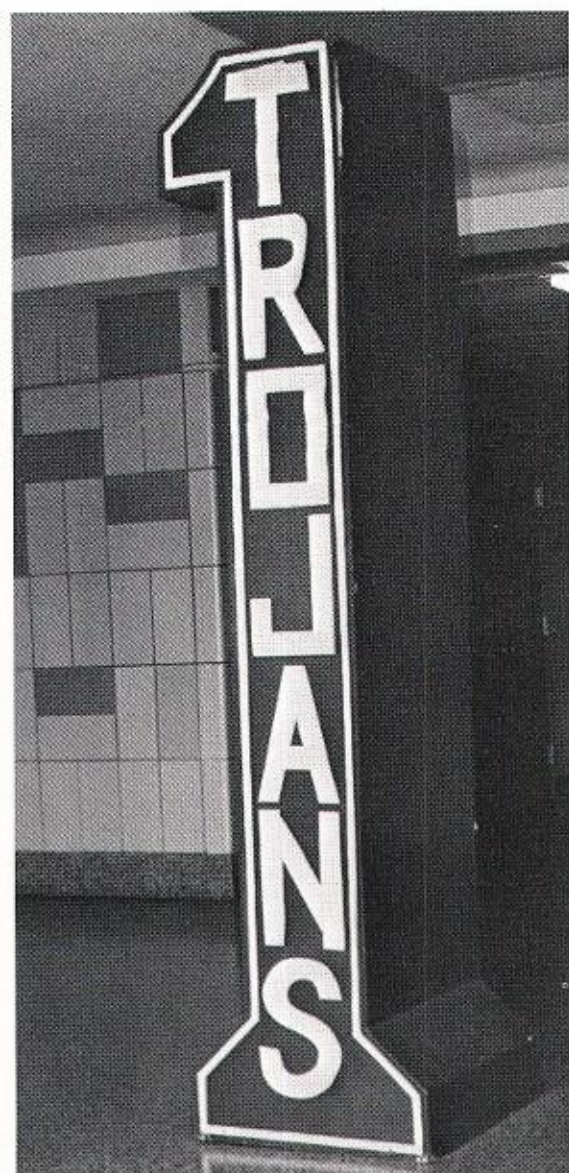

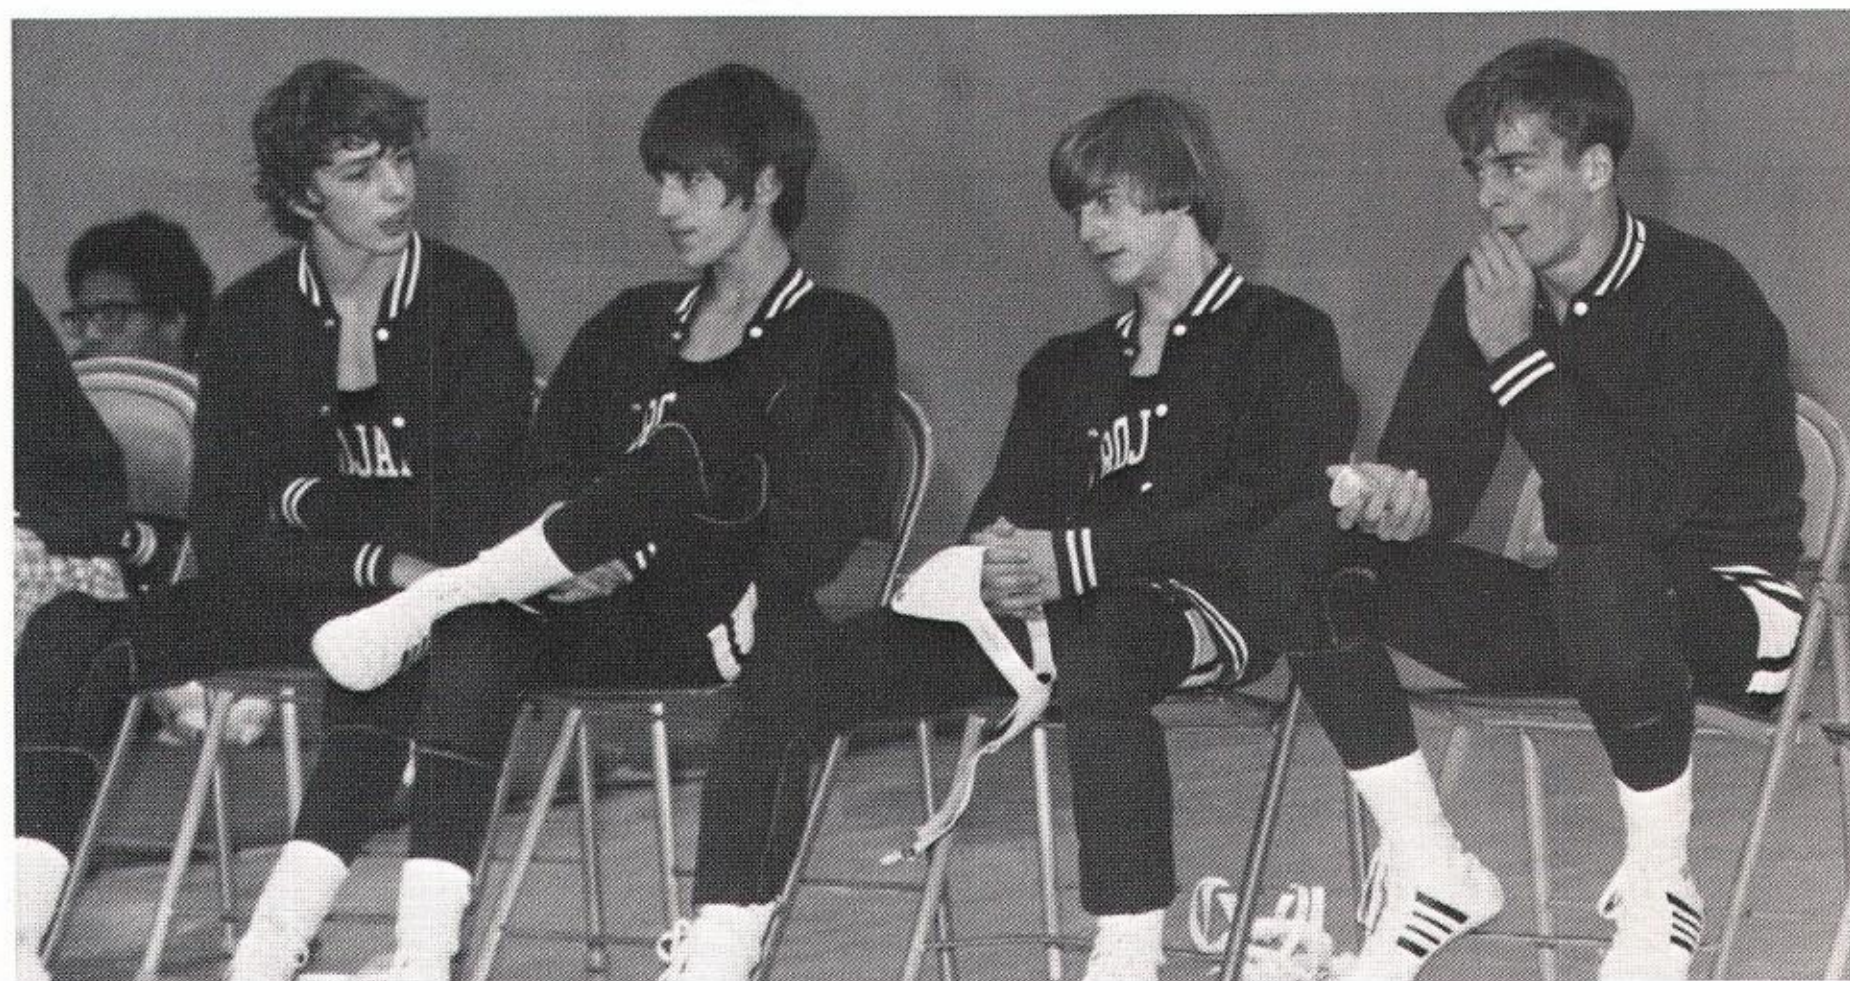

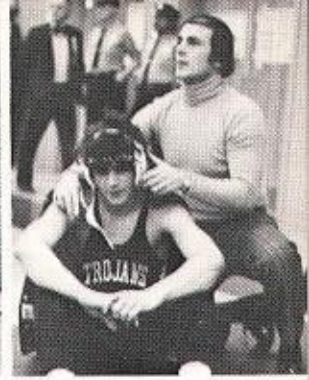

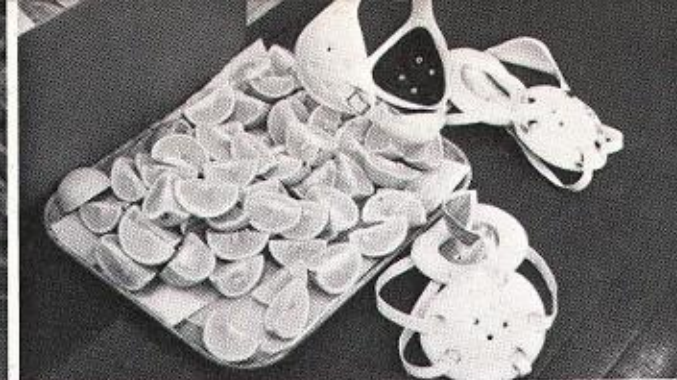

matic contest was the Downingtown meet which determined the championship . . . winner take all. Downingtown was coached by Mr. Alray Johnson, Trojan wrestling star who was a teammate of Coach James Tsakonas on the '66-'67 Ches-Mont championship team, the first of Mr. Bohner's five league crowns in eleven years. Every match from Ecker to Santiago was grueling and well fought. Staverosky broke his opponent's 16 win-streak and P.H.S. records at the same time, Ziemba was incredibly fast, Ziegler got angry and determined, Detar pinned a senior, and Santiago pinned down the score at 31-12. The sweet taste of success was only for those who refused to quit! P.H.S. said, "Well done!" to the graduating seniors Jerry Staverosky, Bill Canning, Paul Ziemba, Tim Rupert, Marty Ogorzalek, and Tim Zeigler and to coaches Mr. Bohner, Mr. Armato, and Mr. Tsakonas.

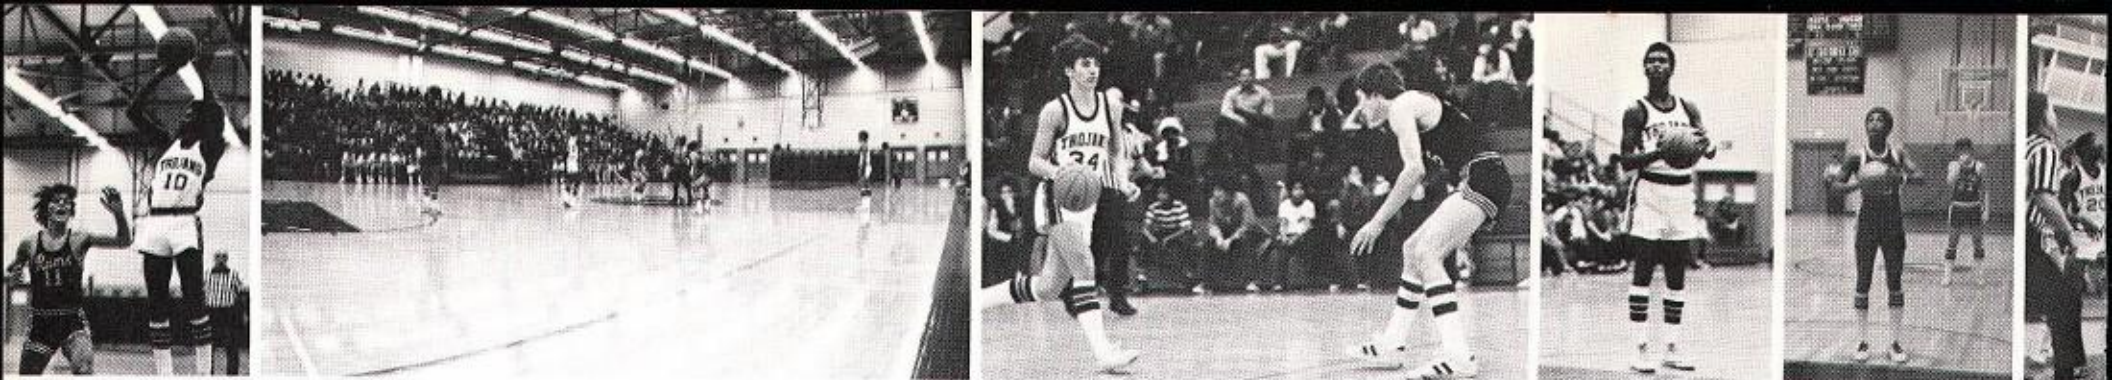

Jerry Staverosky entered the '74 Sectionals with a 47-7-2 record. He had 26 pins. He set a new record of 166 career team points, topping Gary Billy's record of 162. The Staveroslys-Dan, Tom, and Jerry — compiled 101 wins between 1968 and 1974.

Cagers Net Playoff Spot In Defense Of C-M Title

Names like Missimer, Sotter, Pope, Martin, and Lacey comprised the '73 Ches-Mont championship basketball team. Would names like Tom Missimer, Keith Willis, Kevin Hudson, Ron Smith, and Derrick Davis retain this title for Pottstown High School? The possibility seemed highly unlikely in the first half of the season. Victories over Coatesville by 9 points and Pottsgrove by 19 points opened the season, but a loss to Great Valley in overtime, 61-62, marred the Trojans' early hopes. Owen J. Roberts trampled Pottstown by 29 points, and West Chester won by a score of 52-34 as the Trojans closed the first half with a record of 6-3 tied for third place in the league.

A different story unfolded during the second half. Great Valley fell by a score of 73-56. Injury-ridden Owen J. was defeated by a score of 64-48. But losses to Boyertown in overtime and Phoenixville, which ended Pottstown's 33 home court winning streak, put the Trojans in a delicate position. Games with Downingtown and West Chester, delayed by February snows, had to be won. Overtime gave Pottstown a 50-46 victory over Downingtown. The Trojans now had sole possession of second place, since both Phoenixville and Boyertown, previously tied with Pottstown in the standings, were defeated. Now the Trojans had to beat West Chester three consecutive times to repeat as Ches-Mont champions. Good team effort was responsible for their win in the first contest, but despite their hustle their second attempt to stop the great rebounding and defensive tactics of McClellan's Warriors was futile. The squad and coaches accomplished much in a rebuilding year. In the last five years, Coach Jan Fritz's teams have finished in first place once and in second place three times — an enviable record for Coaches Fritz, Hallman, Davis, and their Trojans!

Lacrosse Team's Goal Is to Cradle Winning Season

Lacrosse combines speed, grace, agility, and coordination to produce one of the most interesting girls' team sports. Teaching the skills of cradling, passing, scooping, and dodging, Mrs. Jenis Pennypacker coached both the varsity and junior varsity teams. This year's team leaned on the self-confidence and knowledge of seniors Vicki Geyer, Karen Fritz, Pat Ruyak, Bambi Engle, Roslyn Whitehurst, Nancy Bowden, Debbie Reifsneider, and Mary Kay Dezura. The

abilities of underclassmen Rose Mary Buser, Carol Righter, Kathy Rupert, Sue Stetler, and Donna Wynings blossomed. Playing a nine game schedule, the girls found Phoenixville, Downingtown, and Coatesville their toughest opponents. By its very nature lacrosse is the most demanding of girls' sports at P.H.S. Conditioning, sacrifice, blisters, bruises, and mud are part of the game. But the rewards are great!

No Matter How You Slice It, It Always Is a Wedge

An experienced group with a great deal of talent, the Trojan golf team drove with determination toward a successful season. The squad was led by returning lettermen Carol Holsberger, Mark Fritz, Jeddy Dowlin, David Pollick, and Steve Steinmetz. Eager sophomores and novice freshmen also chipped in with fine play and helped the team obtain a respectable record.

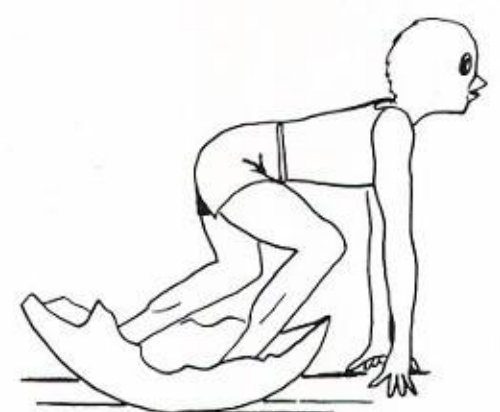

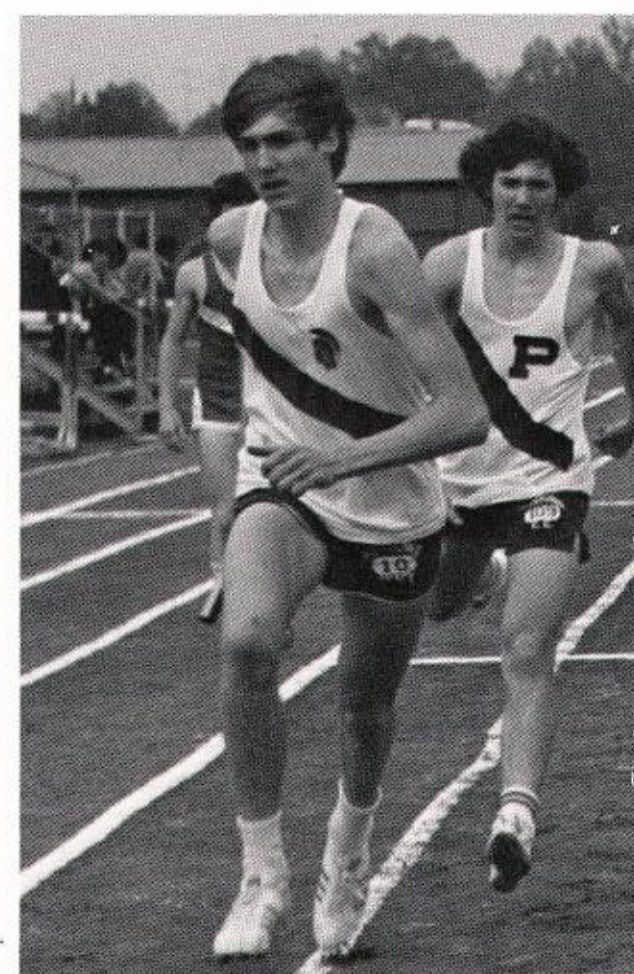

Topping the list of difficult opponents were Coatesville

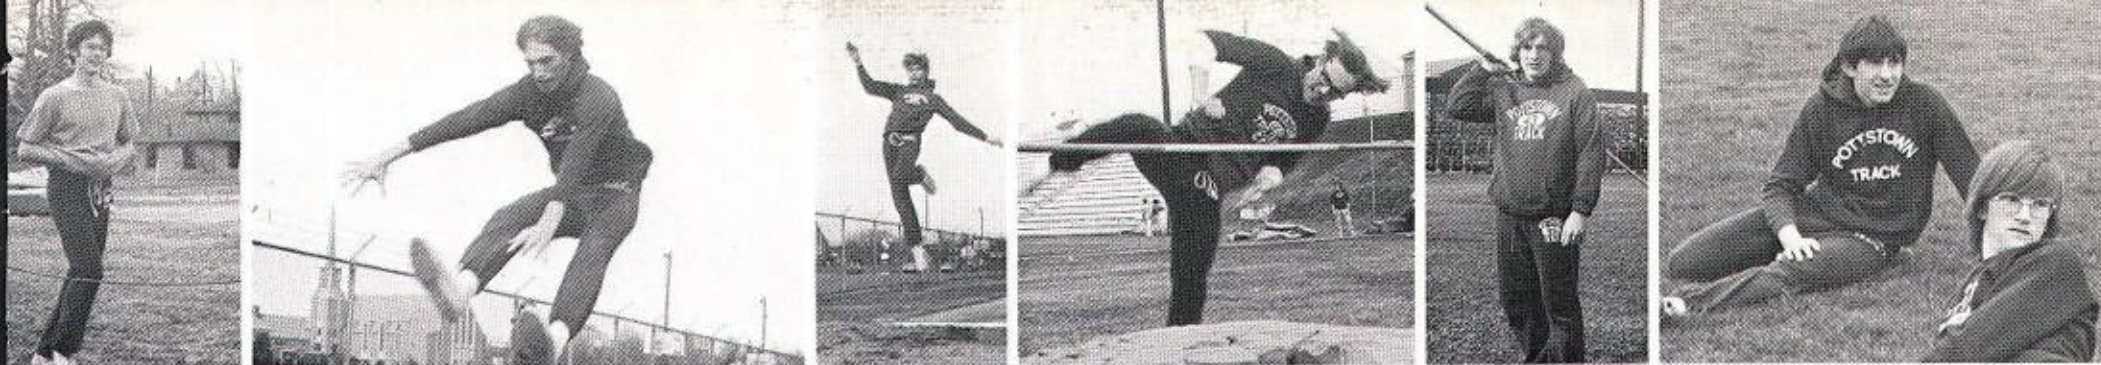

and Downingtown. Coach McCabe stated that although the Ches-Mont League was one of the best in the state, the teams were very well balanced. Pottstown had the honor of hosting the Ches-Mont tournament at Brookside Country Club, thus gaining the advantage of playing on their home course. As a whole, the golf team was well above par in the caliber of their play.

Thinclads Take a High Jump At #1 Spot in C-M

Facing a short but arduous season, the 46 members of the track team set out to break their best time, beat their best mark, or clear the next height. Track is a highly competitive sport where the goal is not only to beat the opposing team but also to exceed personal limitations. This small group of thinclads was bolstered by a championship cross country team and fine performers of the winter track team. The distance runners were paced by senior Stan Dalton and junior Matt Hart, two of the top runners in the league. Some superior competition in the weight events was turned in by Tim Patrizi. Seniors Rich Mest and Jeff Ogorzalek compiled points in the jumping events. Coach Larry Harvey, who was without help in the beginning of the season, was joined by Mr. Marchek shortly before the first meet.

Experienced Nine Stick Together in Title Drive

Fielding nine returning lettermen, including the entire pitching staff of the 1973 season, Coach Ron Hallman had to have high aspirations that 1974 was to be yet another year that Pottstown High School's baseball team would thrill Ches-Mont fans with their drive for first. The team lost only four seniors though graduation from last year's squad which finished with an impressive league record of 8-5. This was good enough to earn them third place in the Ches-Mont. Hardworking, determined, proud, and dedicated are only a few adjectives that can be used to describe the reason for the success of Hallman's hustlers on the diamond, but these adjectives fit every team molded by Mr. Hallman's discipline and regimen, regardless of their final standing.

The junior varsity squad under Coach William Kerr developed promising sophomores during a good season. Mr. Daryl Saylor, a P.H.S. alumnus, give his time and assistance to the players and coaches.

Two Trojan Tennis Teams Net Their Best Sets Yet

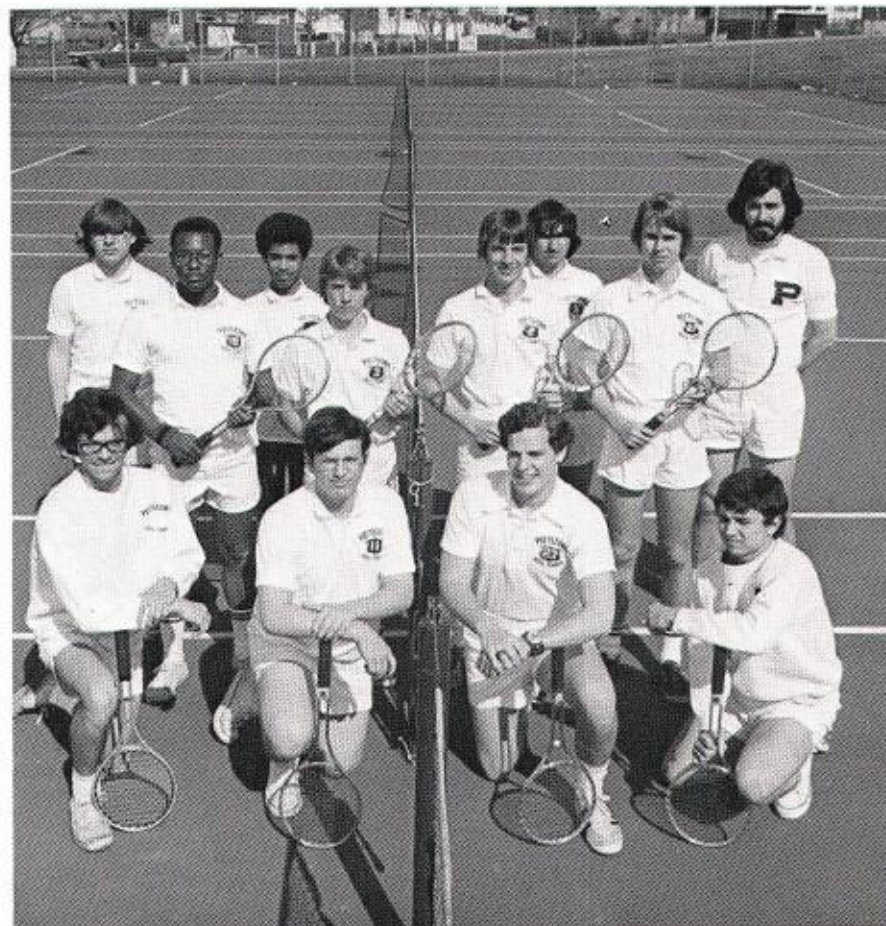

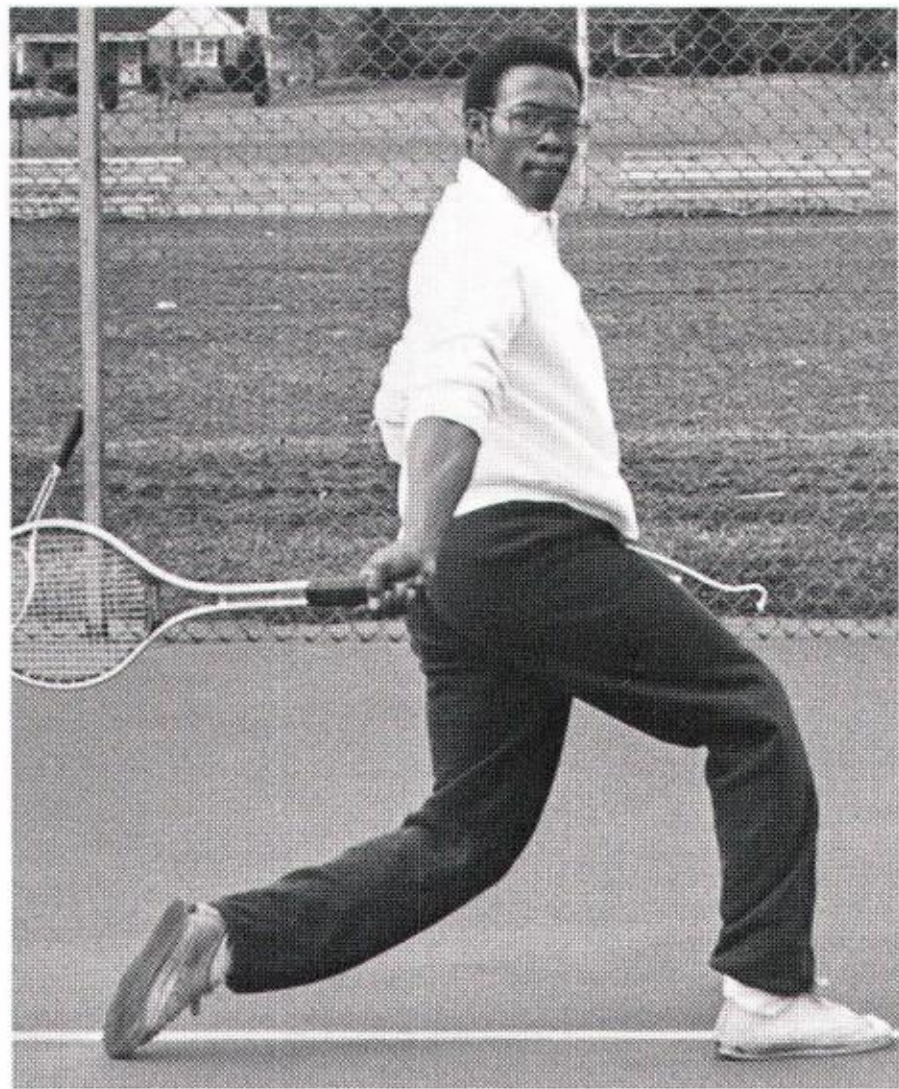

Coached by Miss Gene Whistler, the young girls' tennis team volleyed and smashed to serve up a successful 1974 season. The girls played a nine match league schedule; the most exciting match was the opener at home with Phoenixville. Leading the varsity was Kyle Hogstrom, Barbara Weiner, Robin Harvey, Gloria Sheets, and Edith Sheets.

The boys' team was also young and relatively inexperienced. Guided by new coach Mr. Keith Grant, inspired by Bobby Riggs, and defeated by few, they met their greatest challenges from Coatesville and Great Valley. They kept the racket going to net a nearly faultless record.

Trojanettes Prove Girls Are Such Good Sports

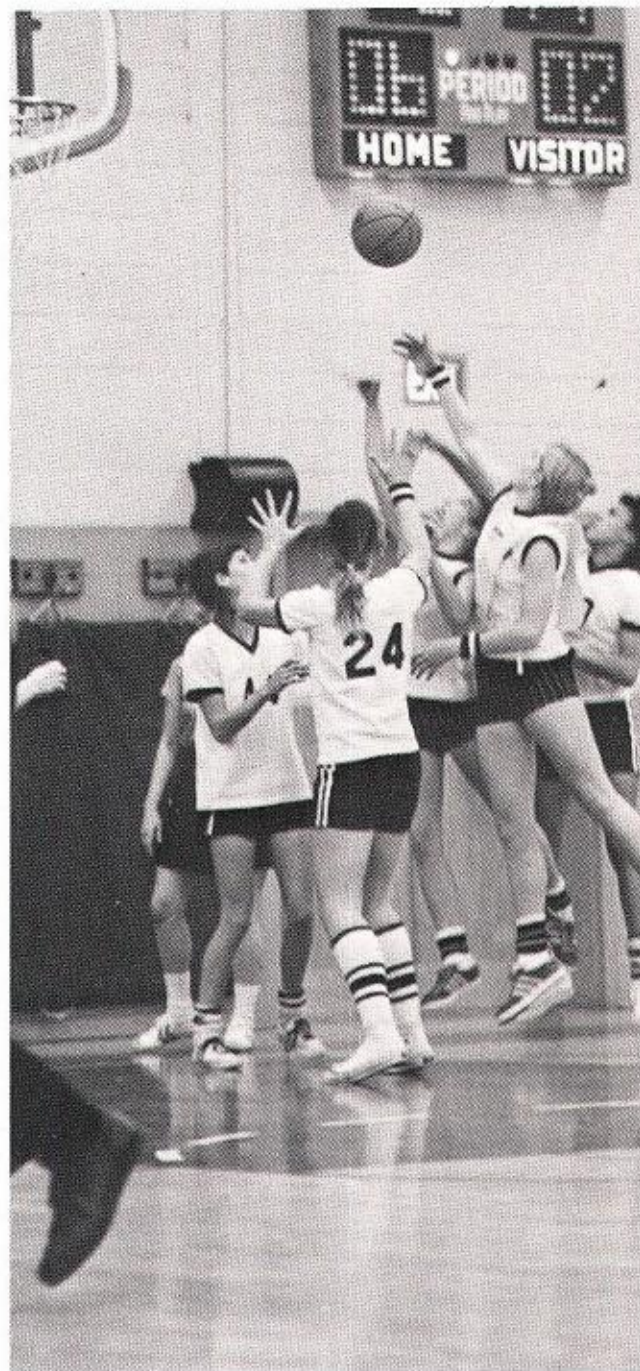

The '73-'74 girls' varsity basketball team closed out the season with an impressive league record of 5-4 and 6-6 overall. This was made possible by the leadership of head coach Jenis Pennypacker. Team captain Edyth Sheets and teammates Cynthia Miller, Debbie Reifsneider, Roslyn Whitehurst, Gloria Sheets, Angie Rodgers, and Vicki Geyer combined all efforts to produce a winning season.

After losing two games by four points in overtime, the varsity proved their ability to win under pressure. Especially exciting was the hard fought contest with Downingtown. The Trojanettes produced a win of 34-31 in the fourth quarter by using their special man to man defense and successful full court press.

Under the coaching of Miss Gene Whistler the junior varsity had a league record of 4-5 and 6-6 overall, a record which promised an even better season in '75.

Tough Trojans Post Winning Season As Rogers Comments, "They're My Type Of Football Team."

Six wins — five losses. It wasn't good enough to win the Ches-Mont championship, but it was good enough to give head coach William Rogers his first winning season since he took over the reins last season. Although over-matched in size in most of their contests, the '73 Trojans were never over-matched by their opponents in spirit, determination, and all-around hustle. With sound victories over Holy Name and North Penn in their two exhibition games, the aggressive team was certain that they were going to be in the race for the Ches-Mont crown. Although the following pair of games (losses to West Chester and Pottsgrove) may have dampened their hopes, the Trojans bounced back with three straight victories — a resilience characteristic of any good team. Three consecutive defeats were to follow which included well-fought battles at Coatesville and Spring-Ford, but they won the big one on Turkey Day to sew up a winning season.

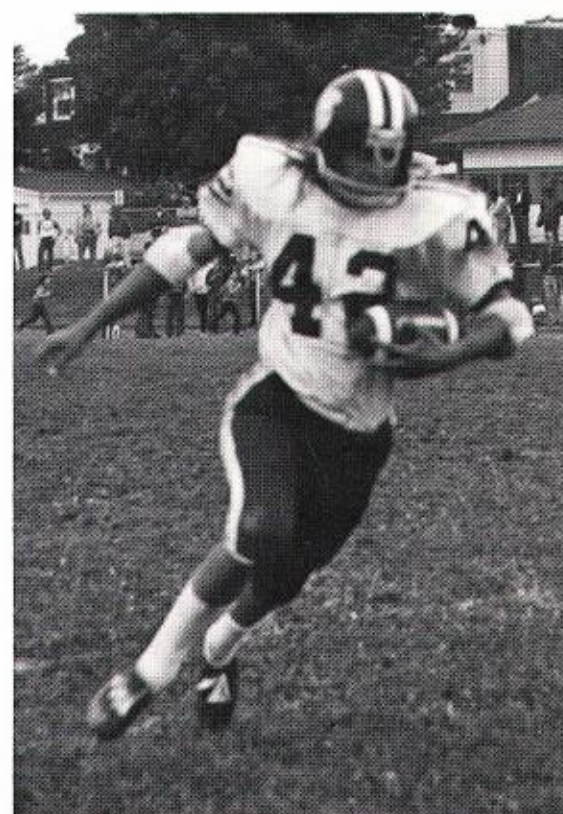

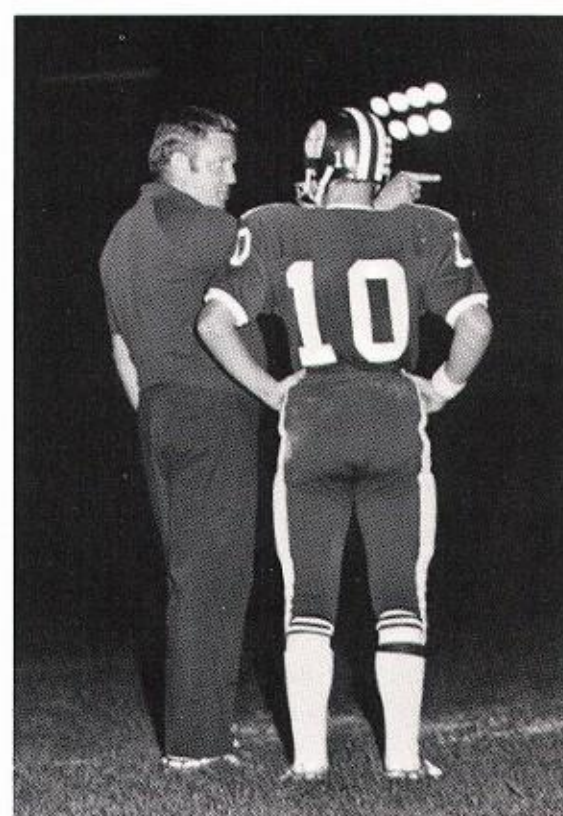

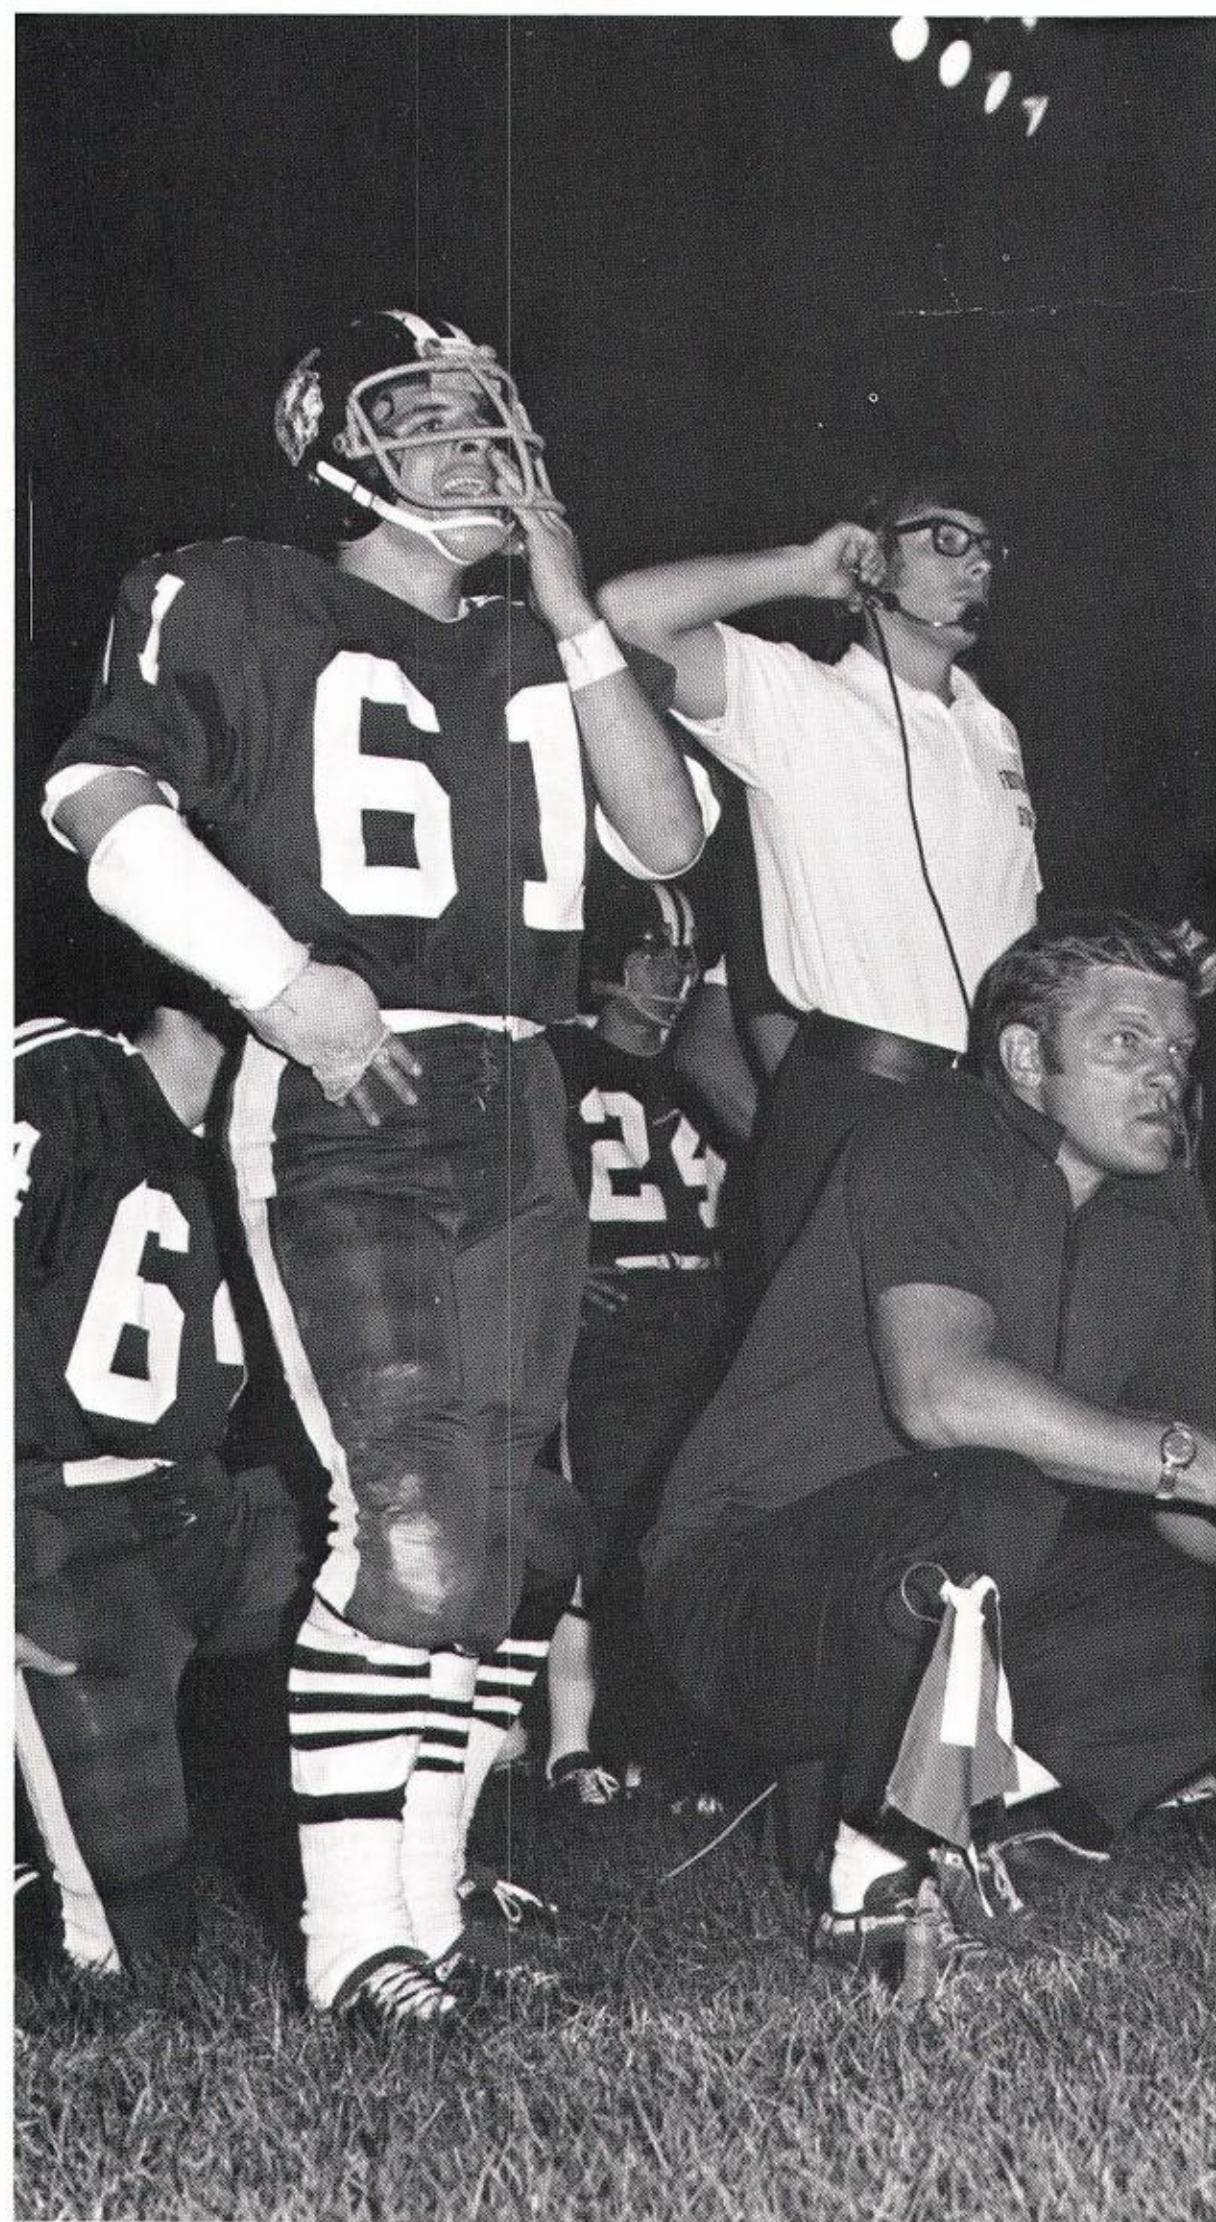

A total team effort and a top-notch coaching staff (Rogers, Leveille, Kerr, Edwards, Weller, and Work) were the contributing factors in the Trojans' success. Many individual performances were also deserving of special recognition. In the Ches-Mont coaches' selection for the all-star squad, senior Mike Hansford made first team offense as a running back. Mike also won the Pottstown Area Scoring Derby with a total of 96 points. Two Trojans made first team defense — senior Tim Rupert as a defensive back and junior Ed Wilkerson as an interior lineman. Senior center Bill Holloway made second team offense with junior tackle Mike Bodolus gaining an honorable mention.

The junior varsity squad also had an extremely successful season, 5-3-1, and fielded future prospects who will help Coach Rogers next season to reach for the Ches-Mont crown and to keep Pottstown High School a perennial football power.

Another Determined Team Determines A C-M Title

From the first day of practice in early August Coach Harvey told his harriers that this season was not going to be easy. Stunned by their first loss in a practice meet with Conestoga, the Trojans also lost their first non-league meet to Exeter by a score of 29-26. Through hard work and determination for the duration of the season, the Trojans won all of their league meets and finished the season with a 10-0 league record and a 10-1 overall record. Matt Hart, Stan Dalton, Dave Krupiak, Paul Raetz, Jeddy Dowlin, Craig Dilks, and Kevin Grimm paced the runners to their second straight Ches-Mont championship. The harriers ran to a third place finish in the Conrad Weiser Invitational Tournament, while Matt Hart placed first in the field comprised of two hundred runners. The team also received third place standing in the Steel City and the Solanco Invitationals, but ended the season with a seventh place in District 1 competition.

Class of '74 Is Always Willing To Try For Moore

Well, we were different!

One of the things we shall remember about our senior year at P.H.S. was our opportunity to take an overnight class trip. Surprisingly, we respectfully declined. In fact, we declined to take a class trip at all. That was different! However, our senior prom at Stokesay Castle in Reading, a new location for a Pottstown High formal prom, was spectacular and unprecedented. That was different. And we elected a different class president in each of our three years — sophomore John Micklos, junior AliceClair Jaeger, and senior Bill Moore.

Yes, we did the usual things to raise money like car washes and hoagie, cake, and candle sales, and we worked hard and diligently to earn the money. But we tried to be different and we had a lot of fun doing it. We especially appreciated our hard-working advisors for all their assistance and for being just as different as we were.

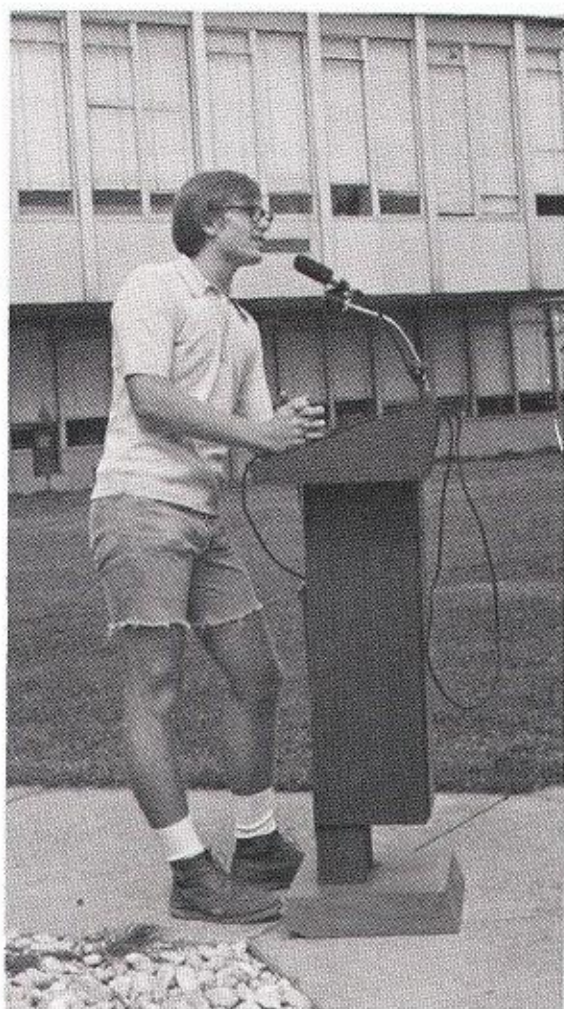

Motto: Strive, For Who Knows What is Possible

Colors: Royal Blue & Ivory

Flower: Carnation

Foxy Class Of '75 Goes From "Rags To Riches"

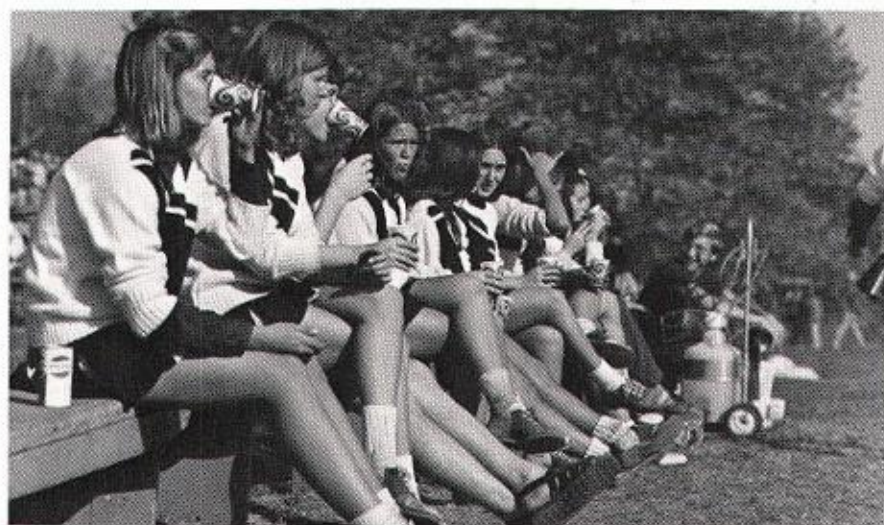

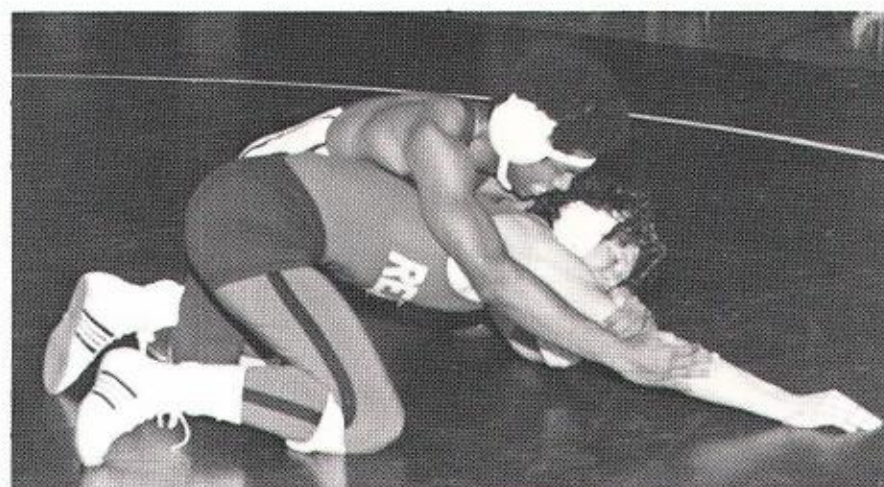

The Class of '75 began the school year under the leadership of president Sherry Fox, vice-president Roxanne Sedlock, secretary Renee Sedlock, treasurer Bruce Lawler, and advisors Miss Margaret Moser and Mr. Fred Fischer. They got a head start by having two cake sales during the summer. In the fall they had another cake sale before they sponsored the Thanksgiving assembly and held the junior prom "Living in a Dream." The prom was held at the Elks Lodge on November 16 with music provided by Patchwork. In the spring they had a hoagie sale and produced a class play.

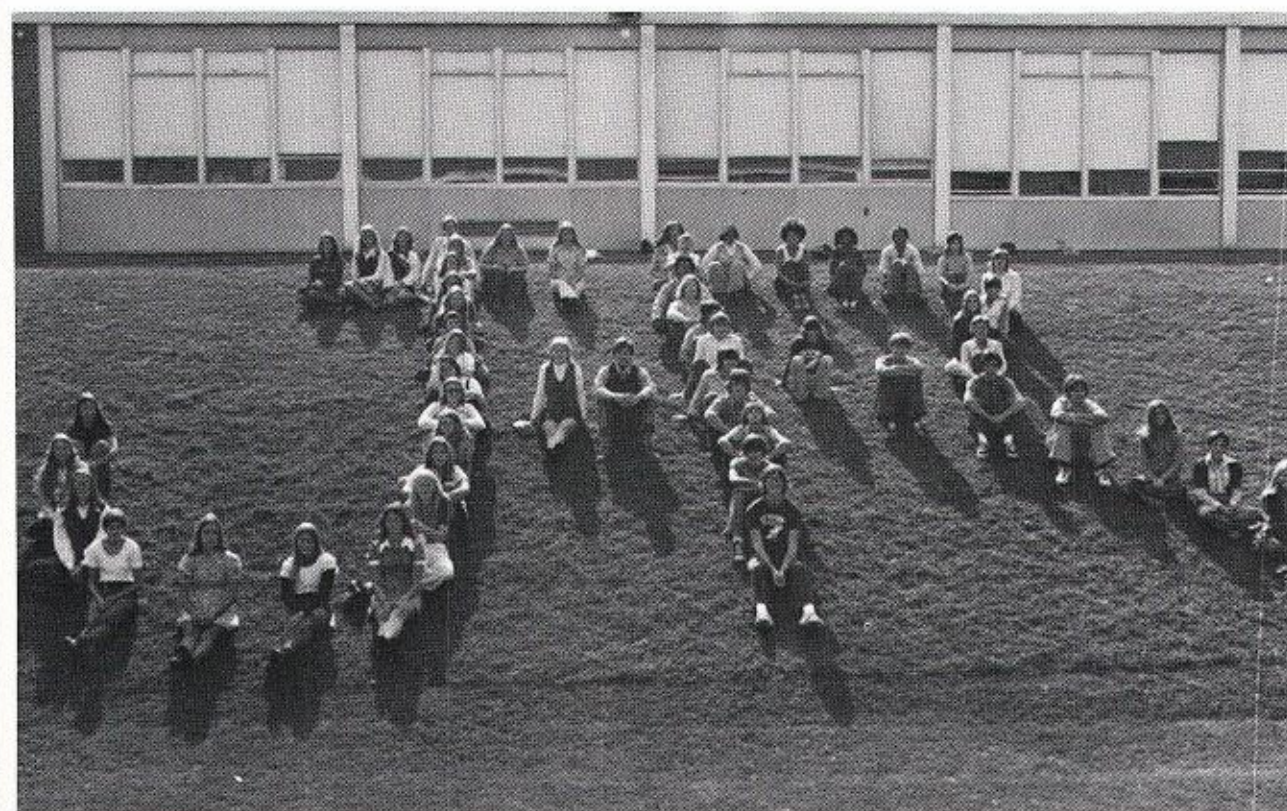

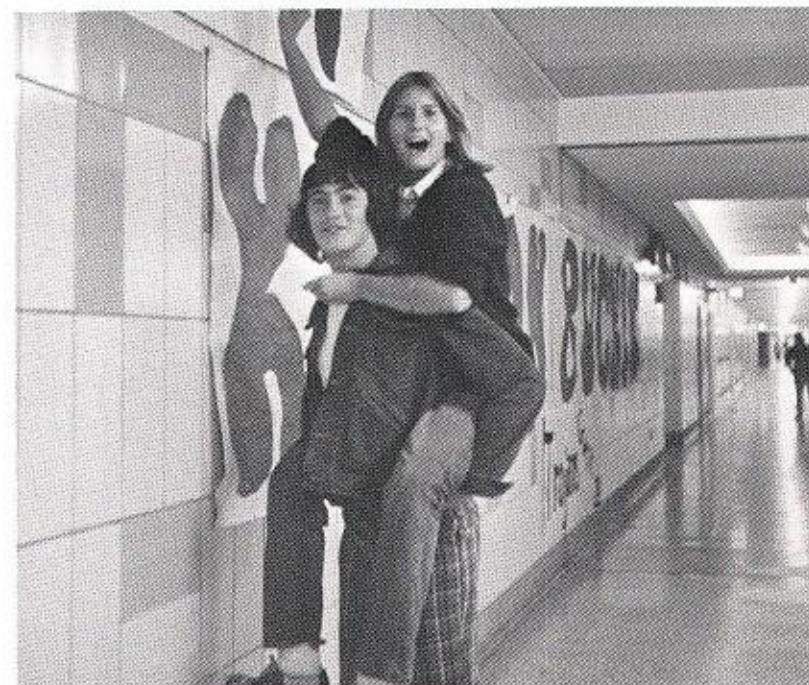

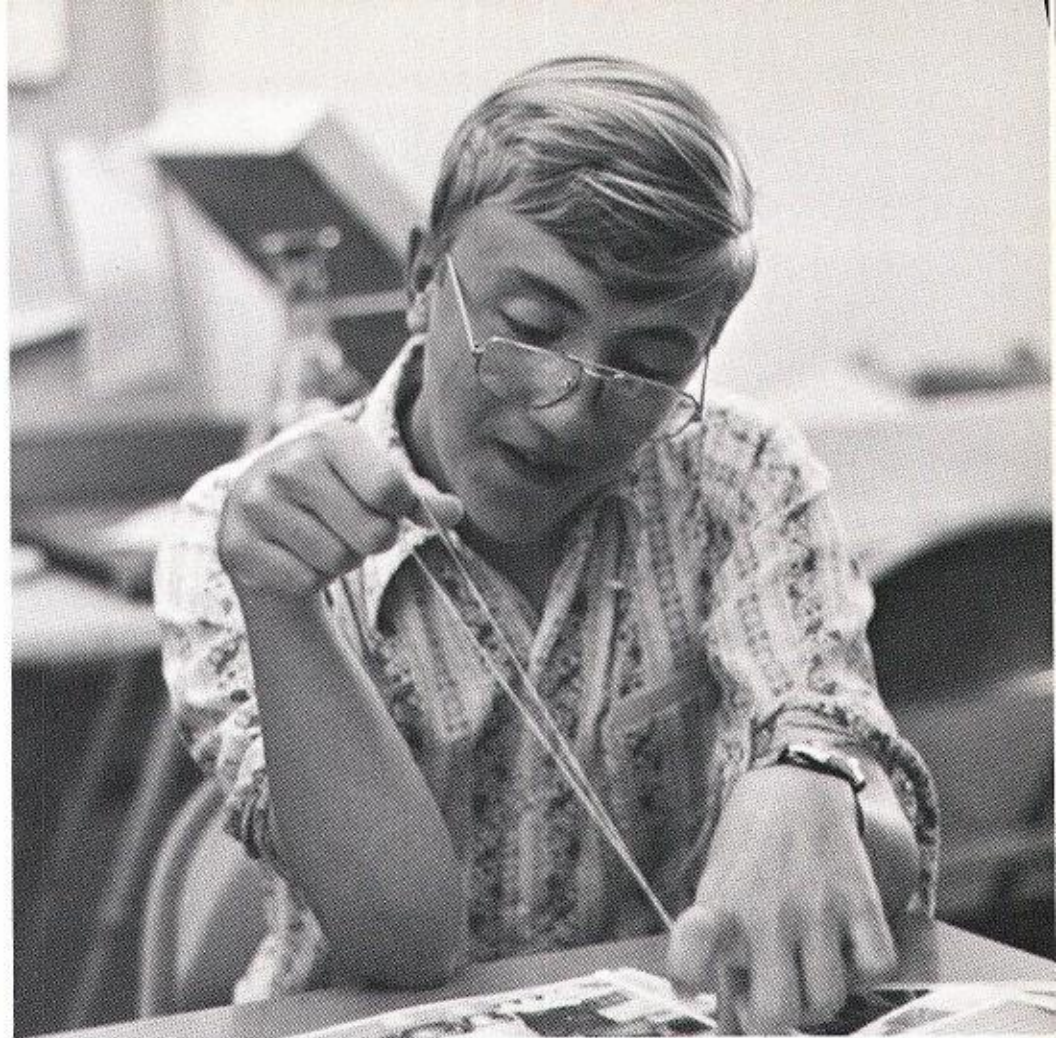

The juniors will remember '73-'74 . . . they wrote their first term paper and Vice-President Agnew resigned. Miss Whistler became embarrassed in hygiene class and thermostats had to be turned down to conserve fuel. Pottsgrove beat us in football and Watergate shocked the nation. Mr. Hamilton taught us to drive and O. J. Simpson ran for two thousand yards. The juniors will remember '73-'74.

Soph Is A 4 Letter Word

Book ... read ... test ... pray ... pass ... fear ... fail! These were just a few of the four letter words that faced the sophomores. Facing such problems as getting lost, finding class sponsors, meeting new people, and accepting numerous new responsibilities, they had adjustments to make. But led by president Todd Detar and class sponsors Mr. Nelson Burnett and Mrs. Jenis Pennypacker, they did adjust and began to find their place in P.H.S. Finding themselves at the bottom of the proverbial totem pole, they began the long climb upward. Their first major school project was the Easter assembly. They engaged in traditional money-raising endeavors, such as cake sales and the sale of "Spirit of '76" tee-shirts. It was a memorable year of study, sports, and spirit; and by the end of it, P.H.S. knew that **soph** was a four letter word to be proud of.

Motto: Don't walk in front of me; I may not follow.
Don't walk behind me; I may not lead.
Just walk beside me and be my friend.

We have a shell both firm and stout
To shelter us from all without;
A Trojan world it doth enclose,
Where skills begin and knowledge grows.

We laugh and cry and fear and hope,
We pass and fail and flirt and mope;
We reason and figure and sometimes guess,
Build our values and strive for the best.

We stretch and strain to free the mind,
Ignorance and fear to leave behind;
We dare to be different and finally succeed
In building the character each man will need.

Thus have we grown within these walls,
Now we must leave — a future calls;
A sweet farewell, for youth must end,
A broken shell we cannot mend.
